

Hello Stevenson Residents!

My name is Nick Pokrajac I'll tell you a little bit about me. I'm from Barrington, Illinois which is about twenty minutes north of Chicago. This will be my third year at Eastern. I am an Accounting Major with a Finance Minor. I love watching and playing practically every sport and I like doing pretty much anything outside.

As your RA next year I will be there for you no matter what the situation is. If you need any advice or just a person to talk to, come to me. I want to build a great community this year. Remember this is your floor so if you have any ideas for programs or events don't hesitate to tell me. We will be having an open door contest from the start of school till midterms with prizes to win. I would also like to do an all floor intramural team we will talk about which sport to do at our first meeting. Finally I would like you to bring your class schedule to our first meeting so we can try and find study partners for you. If you have any question or just want to say hi I'm on Facebook and can be reached at nwpokrajac@eiu.edu. I look forward to getting to know all of you.

Sincerely,

Nick Pokrajac
