

Hello 7th floor Ladies!

I hope you are enjoying your summer and excited to come to EIU! My name is Cindy Cesar and I will be your RA, aka Resident Assistant, for this school year. This will be my first year as a Resident Assistant in Lawson. I'm a junior majoring in Biological Sciences and am pre-optometry. I was born in Brazil however grew up in Woodstock which is an hour and a half north of Chicago. I am a huge klutz and even bigger dork. My favorite movie is The Goonies. I love listening to music, watching new TV shows, going shopping and giving my friends advice. On my days off I go geocaching on campus and play Frisbee, which I encourage you to come with! Now, moving on to the more important stuff...

Welcome! If you are returning then welcome back! Either way, we will be having tons of fun on the best floor in Lawson Hall! Lawson is an all girls residence hall, which is attached to Taylor dining. Our staff includes 7 Resident Assistants, a Resident Director, Associate Resident Director as well as our lovely Desk Assistants and Secretary. We also have Hall Council which meets weekly. It's a great way to meet people and plan fun activities for everyone! So I encourage all of you to attend (with yours truly)!

As your RA, my most important responsibility is to be there for you! Whether you need to relieve stress, are homesick or anything! If I don't have the answers to your questions I will find them for you. Please! Ask me questions! Ask me for help! That is why I became an RA, to help you. The other responsibility I have is to turn our floor into a learning community by bringing us together and creating relationships. This will be your home away from home! I am here to make this experience a great one!

I am extremely excited for this upcoming year! Move in day is Thursday, August 18th at 9am! I cannot wait to meet every one of you! You're welcome to find me on Facebook or email me with any questions, comments or concerns. Please get in contact with your roommate so you can get to know each other and find out who's bringing what. I hope you're just as excited as I am and I hope to create a community that we will all enjoy!

See you soon!
