

Welcome Six Floor Residents,

My name is TiAndrea Terry and I will be your RA for the 2011-2012 school year. My hometown is Chicago, IL. My major is Communications disorders for Speech Pathology. Some of my favorite activities include watching movies, listening to music, exercising, and spending time with close friends and family. This will be my third year at Eastern and I'm eager to begin an awesome year with all of you.

As your RA, I will be a source of information and insight to our campus as well as our hall. Stevenson Hall is not only the tallest point in Coles' county, but this will be our home away from home for the next eight months. My goal is to create a comfortable living environment conducive for academic, social, and personal success. Throughout the year there will be variety of programs geared toward creating a sense of community and positive energy throughout the floor.

If you have any questions or concerns feel free to email me at trterry@eiu.edu. Email is the best way to contact me. Move in Day is August 18.

I look forward to meeting all of you and the start of a great school year 😊

TiAndrea Terry.
