

Hi there,

My name is Kayla Wagner and I will be your RA in Lincoln for the 2011-2012 school year. I am from Plainfield, IL, which is a southwest suburb of Chicago. I went to Plainfield Central and Plainfield North High Schools. While there, I participated in Track, Volleyball and golf; I also started up the FCA and was a peer mediator. I enjoy playing almost all sports; I love doing crafts, and I am a big fan of going to events on campus and being outside. In my past years at Eastern I have been involved in several different organizations on campus. I was in the Panther Marching Band my freshman year. I was also an RHA rep in Pemberton and a Programmer in Andrews freshman year. Two years ago, I was also the girl's activity leader at Christian Campus House and am still an active member. Next year, besides being an RA and part of NRHH, I will continue to be a fitness instructor at the rec center here on campus. My major is Kinesiology with a Teacher Cert. and I hope to be a P.E. teacher.

So, now that you know a little bit about me I would like to tell you about some of the responsibilities I have as an RA. As a third year RA, I will be going through additional extensive training this summer to gain knowledge to be able to answer most of your questions. I know that there will be some questions that I won't know the answers to, but I will make sure to find the answer for you. Please consider me a resource here on campus; I am here to help you!

One of my goals this semester is to build a lasting community of friends that feel like your home away from home. Some of the things that I plan to do to meet this goal are to plan programs that meet your needs, to

be open to suggestions, criticism, and friendship. I hope to be an encourager and one of your biggest fans here on campus. I want to help you meet all of the goals that you have set for yourself. The bigger the better, the sky's the limit when you have a group of girls supporting you back at your home away for home. If you wish to contact me with any questions, concerns or even just to get to know me a little better I would love to hear from you. My email is kawagner3@eiu.edu, and I am on Facebook as well. I look forward to meeting you! Our move in day is Thursday, August 18th at 9am. I hope that you enjoy the rest of your summer!

With excitement,

Kayla Wagner
