

ENVIRONMENTAL STUDIES MINOR

Name: _____
 Major: _____

E-mail Address: _____
 Telephone Number: _____

Total Semester hours: 21

The interdisciplinary minor in environmental studies draws upon five disciplines in the core to address environmental issues from their unique perspectives, enabling students to gain a genuinely broad, multi-disciplinary comprehension. Double counting coursework in concert with students' majors and other minors is permitted by the minor in environment and society. Only two courses have prerequisites for courses, both an introductory level course, and one of those may be waived by the instructor.
