Title: Shapes That Roll

Author: Karen Berman Nagel

Illustrations by: Steven Wilson

Background of Author: There was no information!!!!

Other works by author: Our Silly Garden.

Few ideas: Shape Art. Teacher can provide different shapes from colored paper, and have student create a picture from the various shapes.

Shape Bingo.

Geo-board Activity. Student must create different shapes using a geo-board and rubber bands.

Activity: Match that Shape! Students will get into groups of 3-4. Each group will be given matching cards. Each card will be placed faced down. One student will start by flipping over two cards. If it is a match, then that player will get to keep that match. After every turn, the card is flipped back over.
