Instructions For the Reverse Side of This Sheet

- a. At least one 3 s.h. course must be taken in non-Western or Third-World cultures. A “cultural diversity” course is also required. One course MAY do both. Consult with your advisor regarding these requirements.
 - b. SPE 3201 requires previous completion of SPE 3200 OR concurrent enrollment in SPE 3200.
 - c. When choosing from the Social Sciences (Social and Behavioral) list of courses, students should NOT take any course with the following prefixes to meet these 6 hours: CMN, PHI, FMD, NTR, HSL, CTE, JOU, KSR, WST, or HSR.
- ** Formal University and Department approval are a prerequisite for student teaching. There are two (2) applications: one to the University and one to the Department. A grade point average of 2.65 in all courses with a SPE prefix is required for admission to and retention in teacher education. Other department criteria are also in effect. **Consult your advisor for these. Also, consult your catalog regarding University requirements.

Sixteen (16) hours in student teaching are required: one eight (8) s.h. experience in a High School setting, 9-12 in your academic area, and one (1), eight (8) s.h. experience in a Special Education LBSI setting with individuals with varied exceptional learning needs, K-5 setting. You must pass your “academic area content test,” the LBSI and General Curriculum Content Test. The Special Education General Curriculum Test, the LBSI, and the “academic area content test” are required prior to commencement of student teaching.

Credit in student teaching reflects successful completion of student teaching; the edTPA must be passed prior to licensure.

Other Requirements: Consult your catalog.

1. Admission to Teacher Education
2. Application for licensure and endorsements
3. Application for Graduation
4. Electronic Writing Portfolio
5. 56 semester hours from a senior institution
6. 40 semester hours of upper division credit
7. 42 semester hours from E.I.U.
8. 32 s.h. from E.I.U. AFTER end of term in which one becomes a junior.
9. 12 s.h. from E.I.U. AFTER end of term in which one becomes a senior.
10. Registration with the Placement Office
11. Final Check

You must have a “C” or better in each and every course you use toward graduation or licensure.
