Responsibility of Students

"It is the responsibility of the student to know and to observe the requirements of his/her curriculum via the undergraduate catalog year, and the rules governing academic work. Find Eastern Illinois University Undergraduate Catalog online, linked from EIU homepage <http://www.eiu.edu/> or 'Registration Office' homepage- <http://www.eiu.edu/~registra/>

Although the advisor will attempt to help the student make wise decisions, the ultimate responsibility for meeting the requirements for graduation rests with the student." Departmental Homepage = <http://www.eiu.edu/~tech/>
