What Should I be doing?

Always-

Maintain minimum GPA of 2.65 cumulative and in major
Be working on your professional portfolio requirements
Be working on your 2000 hours – see your major’s contact person for details

First Semester-

Attend meeting with CTE Coordinator
Attend University Admission to Teacher Education Meeting
Complete Speech and Hearing Clearance
Criminal Background investigation form from teacher ed. meeting

Freshman Year-

Pass Illinois Basic Skills Test

Sophomore Year-

Submit Supporting Materials Form documenting completion of English, math, speech and CTE 2000 courses (received this at University Admission to Teacher Education Meeting)

Fall Semester of Year Prior to Student Teaching (Usually Junior Year)-

Watch the timeline of when to submit your student teaching packet online www.eiu.edu/clinical/

Semester Prior to Student Teaching-

Pass Content Area Exam (*at least* prior to student teaching-you may want to take it the last time it is given the semester before)
Criminal Background Investigation (Fingerprint through FBI and Illinois State Police)

Student Teaching Semester-

Pass Illinois Assessment of Professional Teaching Exam
Apply for your Illinois Teaching Certificate

Professional Portfolio Requirements-

- 1) At least two professional development experiences-attending a conference in your emphasis area, attending workshops related to education and/or your emphasis area, etc.
- 2) Working with youth ages 11-18-summer camps, Sunday school, coaching, volunteering, tutoring, Big Brothers/Big Sisters

Additional Considerations to Make You More Marketable-

Adding middle level endorsement
Adding cooperative education certification
Adding endorsement in English, math, or science
Networking-You never know who is watching you. Make sure you are always making a good impression.
