

Recommendation Form

TO THE APPLICANT: This form is to be given to professors or professionals who are able to comment on your qualifications for graduate study at Eastern Illinois University.

Under the Family Educational Rights and Privacy Act, university students have the right to inspect their files upon request. It is your option to waive your right to review this recommendation. If you waive your right to review your recommendation form, this evaluation will be considered confidential and will not be available for your inspection. Please mark the appropriate statement below, indicating your choice of option, and sign your name.

I **waive** _____ **do not waive** _____ my right to review this recommendation.

Applicant's Signature _____ Date _____

Applicant's Name (PRINT) _____

Address _____

Area of Study (See below) _____

TO THE EVALUATOR: The above named individual is applying for admission to the Master of Science in Technology program. Your candid opinion will be of great assistance to us in evaluating his/her application. Your comments will be confidential if the applicant has waived rights of review.

The graduate program in Technology prepares students to become successful leaders in today's technological and global environment. The program is designed to provide students with opportunities for developing advanced professional, technical, and personal competencies in the field of technology. It enables students to identify, develop, and implement quality strategies and practices in contemporary organizations. Additionally, students enhance their research and communication skills necessary for technological leadership. They also gain an appreciation of ethical and social implications of technology related to a global and technological society.

Areas of Study:

Technology Management

Study is suitable for students who desire to be part of an effective management team in industrial related organizations. The program offers the ideal blend of technical knowledge and management principles needed for effective leadership.

Career and Technical Education

Study is designed for the excellence in learning and education in the areas of Business Education, Family and Consumer Science Education, or Technology Education.

Training and Development

Study is suitable for students who aspire to be a part of performance improvement teams in industry and business.

Computer Technology

Study provides students with knowledge and skills in current computer technology. Key areas include data communications and networking technology, advanced database technology, multimedia and web technology, management of computer technology, data acquisition, industrial system simulation, advanced computer integrated manufacturing, automatic identification, and other applications of computer technology.

To help the graduate admissions committee make an informed decision on the applicant's readiness for professional education in the field indicated, please answer the following questions:

1. How long and in what capacity have you known the applicant? _____

2. Please evaluate the applicant in each of the following areas:

	Poor	Below Average	Average	Above Average	Excellent	Unable to Evaluate
Capacity to complete the selected program	_____	_____	_____	_____	_____	_____
Knowledge of field	_____	_____	_____	_____	_____	_____
Integrity	_____	_____	_____	_____	_____	_____
Emotional maturity/stability	_____	_____	_____	_____	_____	_____
Creativity	_____	_____	_____	_____	_____	_____
Math skills	_____	_____	_____	_____	_____	_____
Oral communication skills	_____	_____	_____	_____	_____	_____
Written communication skills	_____	_____	_____	_____	_____	_____
