Department of Early Childhood, Elementary and Middle Level Education, Department of Secondary Education and Foundations, College of Education and Professional Studies, Education Abroad Office, Eastern Illinois University

**EIU courses offered:**

## **A world class teaching experience!**

**Study abroad this summer with the York University Faculty of Education and the public schools of Toronto, Ontario.** Toronto is the largest city in Canada, offering a wealth of cultural, natural, and historic attractions. Toronto, “the world within a city,” is known for its cleanliness, beauty, and diverse population.

The Toronto for Teachers program focuses on global and international professional experiences in model schools interacting with children and faculty. Briefed by York University faculty, unique areas of emphasis are

- Equity curriculum
- ESL
- Multilingual approaches to literacy
- Religious accomodation
- French immersion
- International education
- Immigrant children
- Community involvement
