**Information Items**

**North Central Association (NCA) Accreditation Report** - Dr. Robert Augustine, Dean of the Graduate School, and Dr. Jill Owen, Professor in the College Education and Professional Studies gave a brief report on the North Central Association Accreditation. Eastern’s NCA Reaccreditation visit is scheduled for February 14-16, 2005. The NCA Reaccreditation is important to the University because it tells our public that we meet specified standards of quality. The self-study is an opportunity to examine our University to determine the things we are doing well and to share those things with the NCA. The self-study also allows the University to look at any area of concern and to ask the NCA for consultation to determine how we might address any concerns. The NCA Self-Study consists of five criteria for accreditation: Mission and Integrity, Preparing for the Future, Student Learning and Effective Teaching, Acquisition, Discovery, and Application of Knowledge, and Engagement and Service.

**Intercollegiate Athletics Report** – Eastern sponsors 22 intercollegiate sports, 11 each for men and women with 500 student-athletes, as well as an additional 200 students who are involved in support groups such as the Cheer Team, Pink Panthers, Marching Band, Pep Band, Athletic Trainers and others. Eastern is a member of NCAA Division I in all sports except football, which is I-AA. Eastern Illinois University received second cycle NCAA certification.

Eastern student athletes graduation rate exceeds the national average, it exceeds Eastern’s student body average. For academic year 2003-2004, 12 student athletes received a 4.0 grade point average (GPA), 122 student athletes achieved at least a 3.25 GPA. In the spring semester of 2004, 49% of Eastern’s student athletes achieved a GPA in excess of 3.0. Dave Rella, a member of Eastern’s Golf Team, received one of the six OVC Scholar Athlete Awards, which is the most prestigious award offered by the league.

During the 2003-2004 academic year, Panther men’s and women’s teams combined to place third out of 11 universities in the Ohio Valley Conference All Sports Championship. Three of Eastern’s coaches received Coach of the Year honors, while four of our athletes received Athlete of the Year honors.

The Panther Club, with over 1500 members continues to do well with its 8th straight record year of fund drives. In 2004 the fund drive exceeded the previous year by $7,000 and pledges totaled over $650,000.

In the summer of 2003, President Hencken appointed a task force to study the feasibility of the Athletics Department becoming self-supporting on less dependent on state
appropriated funds. Dr. Gail Richard, the NCAA Faculty Athletics Representative, chaired the task force. The task force recommended a five-year plan for increasing the Student Athletic Fee and the Grant-in-Aid Fee. Although President Hencken supported the recommendations for the fee increases recommended by the task force, the Student Senate passed 64% of the recommended Athletic Fee increase and only 50% of the recommended Grant-in-Aid Fee increase. The President and the Board of Trustees accepted the Student Senate recommendations.

Civil Rights and Diversity Report – Cynthia Nichols reported

FY 2003 Deposit and Investment Report – For FY 2003, the University had an average daily investment balance of approximately $38 million and a net average daily balance of approximately $35 million. The annualized average yield for the year was 1.87 percent. A list of approved depositories was provided.
