Legislative Update - Dr. Nilsen updated the Board on legislation being considered by the Illinois General Assembly. As of April 15, 2005, we are tracking approximately 60 bills, and most of the focus is on the appropriation process. President Hencken testified in front of the House Higher Education Appropriation Committee and the Senate Appropriation Committee, talking about Eastern’s budgetary request, both operating and capital. President Hencken asked the legislators to support the IBHE’s budget request for a 1.6% increase over FY05 for higher education. The Governor’s recommendation is for no increase. On April 13, the University took a bus of students, administrators, and staff to Springfield to meet with legislators and to tell them the good news about Eastern.

North Central Association Accreditation Update - Dr. Robert Augustine presented an update on the North Central Association Re-accreditation. The University received a glowing report from the Site Visit Team.

Banner Project Status Report - Mr. Bill Witsman updated the Board on the status of the Banner implementation. Almost seventy employees have been assigned to different committees or teams. The project orientation and planning sessions have been held. Technical training sessions and banner installation are in process right now. The project is on schedule.

Report from the University President

President Hencken publicly thanked the vice presidents for their work with the NCA Committee. Eastern received a tremendous report. Construction has officially begun in Blair Hall and on the Doudna Fine Arts Center. The Alumni Association donated a Clock Tower to the University, and the Clock Tower will be dedicated during Celebration. At the end of April, we will hit the $8,000,000.00 mark on gifts that the University has receipted. This does not include the twelve people who have been added to the Heritage Society. The students raised $40,000 at the Relay for Life for the American Cancer Society. The Greeks raised $40,000 for St. Jude’s Hospital. Panther Service Day was held in April. The search process for a Vice President for Student Affairs is almost complete, with four finalists coming in for the first round of interviews.

Report from the Board Chair

Ms. Julie Nimmons announced that Dr. Roger Dettro will be leaving the Board on June 30, 2005. Ms. Nimmons thanks Dr. Dettro for all of his hard work and for being a sustaining force through some difficult times, serving the University well. Also, a commendation for Dr. Nathaniel Anderson was read to the Board.

Ms. Nimmons read a commendation for Dr. Nathaniel Anderson:

Board Committee Reports

Finance Committee, Dr. Robert Webb - The committee met with Vice President Cooley and discussed the University audit. Mr. Jeff Cooley has agreed to track and look at trends each year on a few items, such as unit cost and tuition for the Board’s consideration. The Auditor General accepted Eastern’s audit completely and had no recommendations. Mr. Yost added that Eastern will not be required to appear before the Legislative Audit Commission for testimony. This is another compliment to Vice President Cooley and his associates.

Board Relations Committee, Mr. Roger Kratochvil - The committee has one recommendation, that the University utilize the services of a professional consultant to determine the University’s readiness to launch a major capital campaign. Resources to support the feasibility study have been pledged by both the Eastern Illinois University Foundation and the Eastern Illinois University Alumni Association. There will be no expense to the University. Mr. Kratochvil moved to endorse the recommendation of a feasibility study. Dr. Dettro seconded the motion.

Mr. Kratochvil Yes
Dr. Webb Yes

Board Bylaws, Policies, and Regulations Committee, Mr. Leo Welch - There are about a dozen regulations that have been modified for purposes of clarification or requirements, most not substantial in nature. The committee is also working on a recommendation if there are implementation requirements to a policy, so that the University knows exactly what procedures to follow to implement a policy. These recommendations will be submitted to the Board for approval, but not in the near future.

Planning Committee, Ms. Julie Nimmons - The Board Retreat will begin on Sunday, June 12th and conclude on June 13th. President Hencken and Dr. Nilsen are in the process of finalizing an outside facilitator to conduct the Retreat.
Report from Board Members attending AGB Conference

Mr. Don Yost reported that he attended a session, The Future of High Ed. This was a panel of former University Presidents who discussed some of the things they find challenging, such as the fallout of post 9/11, especially as it relates to foreign students. Other topics discussed by the panel included funding, the internet, as well as the concern of one University President that there might be an attack on the humanities. Another topic of concern was our world ranking. Currently, the United States ranks somewhere around 7th or 8th, and the concern is ongoing because of the lack of students enrolling in math and sciences.

Dr. Robert Webb reported on the Sarbanes Oxley Act, which was passed in 2002. The Act is designed to regulate publicly held companies. The discussion right now, is whether universities should adopt some of the provisions. The suggestion is that the finance committee be given the assignment of working with the administration, auditors, and the attorneys, and to come back to the Board with specific recommendations.

Mr. Leo Welch reported on a workshop entitled, Presidential and Board Assessment. Currently, Eastern does not have a system in place for Presidential Assessment. Mr. Welch suggested that this topic may be discussed at the Board Retreat.

Report from Constituencies

Staff Senate, Kathy Cartwright – Ms. Cartwright gave a brief history of the Staff Senate. The Staff Senate is currently working on two issues. The first issue is to encourage all staff to personally hand write letters to our State Senator and State Representative, asking for additional funding for Eastern. Also, the Senate is in the process of developing a letter to send to our State Senator and State Representative asking that no changes be made to the current pension plan which the Governor may target.

Student Body President, Chris Getty – At the beginning of this semester, Student Government sent four members to the conference on Student Government Associations in Texas. All of these Student Senators ran for election and gained seats on student government for next year. Student Government highlighted the city council elections with a debate forum led by Adam Howell. The third annual Panther Service Day was also held by Student Government and had over 130 volunteers. Led by Student Vice-President for Academic Affairs, Dirk Muffler, groundwork has been laid for an on-campus day care for students, staff, and faculty. Student Senate approved all student fee increases and the apportionment budgets that were presented to the Senate. Over 1900 students voted in the spring election. Student Government has now acquired a new executive board and fifteen new senators. Mr. Getty announced that Mr. Andrew Berger, Executive Vice President Elect will serve as the Student Trustee next year. Mr. Getty also noted that serving as Student Body President has been an honor and a tremendous experience. He also thank Dr. Anderson and Dr. Dettro for their time and commitment to the University.
