A  Option year renewal of original contract.

B  Vendor selection was made in accordance with the Quality Based Selection (QBS) Act.

C  Sole source purchase per Section 526.2025 of the Higher Education Procurement Rules.

**FY 2006 Deposit and Investment Report** — For FY 2006, the University had an average daily investment balance of approximately $55 million and a net average daily balance of approximately $53 million. The annualized average yield for the year was 4.72 percent.

**Report from the Office of Civil Rights** — Ms. Cynthia Nichols presented an update to the Board on Civil Rights and Diversity. This year 33 percent, nine of twenty seven of the newly employed tenure track faculty, were members of minority groups and 59 percent, sixteen of twenty seven were female. Members of minority groups are projected to comprise more than 14 percent of the fall 2006 tenure track faculty. Women will likely comprise nearly 42 percent of the tenure track faculty. Eastern’s seven year hiring numbers indicate that the campus is meeting or exceeding the national doctorate availability data for both members of minority groups and also for women. Such recruiting efforts by every search committee will enable the University to address the FY07 Presidential goals adopted by the Board.

**Summer/Fall Enrollment Report** — President Hencken presented a summary to the Board on the Summer/Fall Enrollment. Ninety three percent of all students who attended summer classes were juniors, seniors, and graduate students. The enrollment is up this year to a record high of twelve thousand three hundred and forty nine students. Thirty five percent of all freshman who applied to EIU attended Eastern this fall compared to 31 percent last year. For transfer students, 72 percent of those who applied to EIU did enroll at EIU.

**President’s Report**

President Hencken brought updates to the Board of the various construction projects going on around campus. The Doudna Fine Arts Center is approximately a sixty-two million dollar project. This project is funded by the Capital Development Board and Capital Financing. The Doudna Fine Arts Center is one hundred and eighty three thousand square feet of new space and eighty six thousand
square feet of renovated space. When completed it will be the largest facility on campus. This project is about 50 percent complete with a tentative completion date of the end of fall semester 2007.

Mr. Jeff Cooley reported that the Blair Hall project, in total, cost about 10.9 million dollars, which included funding of the insurance proceeds and some additional capital financing. The capital financing was mainly for the addition. The total loss on the project was about 9.2 million dollars, although there was replacement coverage and a twenty five thousand dollar deductible. There will be additional landscaping done in the front of the building this fall.

Mr. Jeff Cooley also presented information on the high voltage distribution system upgrade project. This project is funded by the Capital Development Board and is a multi-year project. This project upgrades the main campus arterial distribution system. Phase I is about 90 percent complete, and Phase II is in the design stage. Phase II will take place next summer, and will complete the project. It will improve the reliability of electrical service to the main part of campus.

President Hencken continued the presentation with an update on the Alumni Quad. The Alumni Association donated the Alumni Clock Tower and funds for the Alumni Quad. Construction is moving along quite well. President Hencken also mentioned the addition to Lantz. One point two million dollars for this addition was funded by private gifts. This addition will include academic areas for student athletes, computer labs, offices, and conference rooms. Also, President Hencken spoke of the Old Main restroom and hallway projects. These projects were funded by the Cougills earlier this year. Other projects currently underway on Eastern’s campus include the Life Science lecture hall, Carmen Hall fire protection systems, sprinkler systems in compliance with state law, replacing heating systems in the Ringburg apartment building, and the Taylor Hall dish machine.

**Report from the Board Chair**

Chair Leo Welch announced the composition of the Presidential Search Advisory Committee: Chair (Robert Webb), representative from the Deans’ Council (selected by the Council), representative from the vice presidents (selected by the vice presidents), four faculty members (three selected by Faculty Senate and one representative from UPI), two students (Amanda Raz and one student selected by the Student Body President), two staff members (selected by Staff Senate), representative from the Foundation Board (selected by the President of the Foundation), representative from the Alumni Association (selected by the President of the Alumni Association), two Trustees (Roger Kratochvil and Leo Welch), representative from the community (Angela Griffin) and Cynthia Nichols, ex-officio.

Names of constituents to serve on the Presidential Search Advisory Committee must be given to Dr. Robert Webb by October 2.

**Committee Reports**

Finance Committee -- No report.

Board Relations Committee -- Mr. Kratochvil reported that the Board Relations Committee met with Patti Stratton, who presented information on a confidentiality amendment that was voted on at an earlier time. Karla Evans presented information on fund drives. One of the highlights was the final report on the three year, ten million dollar fund drive. To date, this fund drive has raised eleven million dollars.
Executive Planning Committee -- Mr. Welch reported that the Executive Planning Committee met, with most of the discussion revolving around the search process, timelines and procedures.

Academic and Student Affairs Committee -- Ms. Nimmons reported that Eastern is leading a charge in educating incoming students on the Alcohol Education Program. This is a required six week program that helps students adjust to life at Eastern.

**Reports from Constituencies**

Faculty Senate- Dr. HaileMariam greeted and welcomed the Board Members. She expressed disappointment that the Board decided to exclude the faculty from co-chairing the Presidential Search Advisory Committee. Dr. HaileMariam commented on the busy academic schedule ahead, and the many tasks to accomplish and issues to resolve.

Student Government- Mr. Sean Anderson, Student Body President, updated the Board on current campus events. Student Government is promoting school spirit, and revitalizing the “Blue Crew.” He announced that Thursdays will be Spirit Day, and encouraged everyone to participate. Mr. Anderson also announced that there will be a “Rock the Vote” campaign this year, and that Eastern’s Student Government is a registered civic organization, whose members can serve as deputy registrars.

**Other Reports**

Dr. Ed Wehrle, Associate Professor of History, addressed the Board about the ongoing negotiations between the UPI and the University.

Ms. Julie Sterling, from the Academic Advising Center, addressed the Board about Academic Support Professionals (ASPs). The ASPs were founded in the mid 80s, and they became Unit B of the EIU UPI contract.

Ms. Mary Maddox, an Annually Contracted Faculty member since 1979, addressed the Board about the role and history of Annually Contracted Faculty at Eastern Illinois University.

**Adjournment**

Dr. Webb moved for adjournment. Ms. Nimmons seconded this motion.

Roll was called and the vote was as follows:

- Mr. Kratochvil: Yes
- Ms. Nimmons: Yes
- Mr. O’Rourke: Yes
- Ms. Raz: Yes
- Dr. Webb: Yes
- Mr. Yost: Yes
- Mr. Welch: Yes

Motion carried.
