**Intercollegiate Athletics Report**

Eastern sponsors 22 intercollegiate sports, 11 each for men and women with approximately 500 student athletes, as well as an additional 200 students who participate in support groups, such as the Cheer Team, Pink Panthers, Marching Band, Pep Band, Athletic Trainers, and others. Eastern is a member of NCAA Division I in all sports except football, which is I-AA.

Eastern’s student-athlete graduation rate exceeds the national average, and it exceeds Eastern’s student body average. In the fall of 2005, 43 student-athletes had 4.00 GPAs and in the spring of 2006, 40 student-athletes had 4.00 GPAs. For academic year 2005-2006, 153 student-athletes achieved at least a 3.25 GPA. In the spring semester of 2006, 55% of Eastern’s student athletes achieved a GPA in excess of 3.0.

During the 2005-2006 academic year, Panther men’s and women’s teams combined to place fourth out of 11 universities in the Ohio Valley Conference All-Sports Championship. Combining all ten years that Eastern has been a member of the Ohio Valley Conference, the Panthers are still No. 1 overall in the All-Sports competition. EIU has been the All-Sports champion three of the past six years, and four out of ten years overall. Three of Eastern’s coaches received Coach of the Year honors, while three of our athletes received “Freshman of the Year” honors and three of our athletes received “Athlete of the Year” honors.

The Panther Club continues to do well with its 10th straight record year of fund drives. In 2006, the fund drive recorded $700,000 cash and in-kind pledges.

**Title IX Gender Equity Surveys Report**

Ms. Cynthia Nichols presented an update on Title IX Gender Equity Surveys. Eastern’s Office of Civil Rights and Diversity collects survey data and other types of information as part of a process required by the U. S. Office for Civil Rights to monitor whether the university is providing equal opportunities for its female students in intercollegiate athletics.

As part of this ongoing process, Eastern’s Office of Civil Rights and Diversity analyzed responses from 2,013 freshmen and transfer students who completed Title IX Interests and Abilities surveys during the 2006 summer orientation process. Longitudinal data and other information suggest that Eastern currently is fully and effectively accommodating the interests and abilities of its female students to participate in intercollegiate athletics.

**University Foundation Report**

Mr. Dave Maurer presented the University Foundation Report. The University Foundation has added Board of Trustees members, and all former presidents of the University as honorary members. In the last fiscal year, the Foundation distributed over $615,000 in scholarships, and $866,000 in grants for the University. The total endowment of the Foundation at the end of October was over $33 million. Mr. Maurer also mentioned several philanthropy awards, which were presented at the annual Foundation dinner.
