Senior Survey
Instructions for Students

As part of its Assessment Plan, Eastern asks students in Senior Seminars to share their experiences, ideas, and attitudes through an on-line survey. This survey should take no longer than 10 minutes. Although Eastern tracks who has completed this survey and supplies that information to your senior seminar instructor, your responses are anonymous. Thank your for your time and thoughts!

2. Enter your account name (information on this can be found at the above address; your account name is your Eastern email user id) and click on “Submit”.

3. Click on “Go to survey”.

4. Answer each question. The student will be prompted at the end of the survey to go back and complete any skipped questions.

5. After completing the survey, click on “Submit responses”.

6. Close browser

NOTE: If you are a double major, either major can be chosen for response to survey question #32.
