Subject: CORT Public Information Request

To Whom it May Concern,

My name is Genevieve Strawderman and I work for CORT Furniture Rental. We are trying to help university students make moving easier by allowing them to lease furniture from us instead of purchasing and storing it from year to year. We were hoping to be able to contact all current, Eastern Illinois University students to let them know about our services.

It is my understanding that student e-mail and information is publicly available for institutions that accept federal funding. I would like to submit this request to please receive the names and e-mail addresses of all current students from your institution.

For more information about our company and what it offers please visit our website at <https://www.cort.com/>.

Thank you for your consideration,
