Inclusive language is important to maintaining a safe class environment—no language will be tolerated that demeans, belittles, or marginalizes someone because of her or his gender, race, ethnicity, class, age, sexual orientation, ability, etc. Such language will not be accepted in your classroom communication, written work, or your oral presentations. If you disrupt the safety of our learning community you will be asked to leave. Show respect for others by listening, taking turns, and not having side-conversations. Disruption of teaching and/or learning is a violation of the Student Code of Conduct.
