Academic Dishonesty

You are responsible for knowing and following the Academic Integrity Standards including, but not limited to what follows.

Standard I.

Eastern students observe the highest principles of academic integrity and support a campus environment conducive to scholarship. Violations of this standard:

1. Conduct in subversion of academic standards, such as cheating on examinations, plagiarism, collusion, misrepresentation or falsification of data.
2. Theft or the unauthorized possession of examinations; alteration, theft, or destruction of the academic work of others, or academic records, library materials, laboratory materials, or other University equipment or property related to instructional matters or research.
3. Submitting work previously presented in another course unless specifically permitted by the instructor.
4. Conduct which disrupts the academic environment; disruption in classes, faculty offices, academic buildings, or computer facilities.
5. Complicity with others in violations of this standard.

The instructor reserves the right to modify the requirements of this class as necessary to achieve the objectives of this class during the course of the semester.

YOU ARE RESPONSIBLE FOR ALL THE EQUIPMENT ISSUED TO AND CHECKED OUT BY YOU.

Attendance Test

In journalism (and most other professions) being on time and hitting deadlines is assumed. Because the lesson that take place in class cannot be duplicated outside of class, you will be tested on this skill. You have been given 100 points a – perfect score on this test. You will lose ten point every time you are late or fail to attend a class. The only exceptions are university excused absences (ex: weather cancellations, collegiate sport competitions, or approved academic absences.)

There will be at least 20 points available via extra credit to all students, allowing you to make up points should you miss a class or two.

Turn off cell phones during class. The reading or sending text messages/chat during class will result in you being marked absent for that class. Checking your phone during class will result in you losing five of your 10 points for attendance that day.

I do not accept assignments via e-mail. Do not expect extra help if you are not willing to come to class and participate.

Disabilities

If you need course adaptations or accommodations because of disability, please contact the Office of Disability Services at 581-6583.
