## **Art with Teacher Certification Option (B.F.A)**

### **An option in the Art (B.F.A.) offerings.**

The BFA in Art with Teacher Certification (Art Education Option) provides professional training and experiences leading to teacher certification for grades K-12. Students must receive a "C" or better in all art and professional education courses and maintain a minimum cumulative and major GPA of 3.0 in order to continue in the program.

This major requires that students follow and meet the requirements for Admission, Retention and Graduation from Teacher Certification programs as described in the "Teacher Certification Programs" section of this catalog and as explained at the University Admission to Teacher Education Meeting which all students must attend. Students must gain University Approval to Take Teacher Education Courses no later than the end of their first semester Junior year in order to complete program requirements in a reasonable timeframe. Additional information on Admission, Retention and Graduation for Teacher Certification programs can be found on the College of Education & Professional Studies website at [www.eiu.edu/ceps/teached](http://www.eiu.edu/ceps/teached).

All students must pass the Illinois Certification Test of Basic Skills for selection into teacher education and should complete this requirement no later than the end of their first semester junior (3rd) year.

Students have two options for completing the professional education coursework – Regular Secondary Education Program and Integrated Secondary Education Program (ISEP). Students are encouraged to apply for the ISEP to complete the professional education coursework; contact Secondary Education Office for admission information. Consult with your academic advisor and read the Teacher Certification Program section of this catalog for more information regarding these two options.

## Department of Music

### (B. Music)

#### Information for Incoming Students

Information on audition dates and requirements is available at the Department of Music Website ([www.eiu.edu/music](http://www.eiu.edu/music)) or by calling the office at 217/581-3010. All entering freshmen and transfer students planning to major in music must pass an audition before enrolling. Prospective composition students must also provide scores and/or recordings of original compositions. Students who are pursuing the music education option are also required to complete an interview with a music education faculty member. Students who wish to transfer credit in music theory, aural training, music history, applied studies, and piano are required to take placement examinations in these subjects.

#### Junior Standing

In order to achieve junior standing as a music major, all students must pass the junior standing jury on their primary instrument or voice and complete Music Theory IV (MUS 2542) and Aural Skills IV (MUS 2544) with a "C" or better. Students must achieve junior standing in order to enroll in Advanced Applied Study (MUS 3310-3363). Music education majors with a vocal or instrumental concentration are required to have at least two credits of Advanced Applied Study prior to graduation; students with a general music concentration must achieve junior standing, but are not required to have upper-division credit in applied study.

#### Applied Study

All music majors are required to study intermediate or advanced music performance on a one-to-one basis with a studio instructor. Such study is referred to as "applied study." While majors may pursue more than one area of applied study, each student must complete a sizable block of hours in one primary instrument or voice.

The hours of applied study taken each semester vary depending upon the program option in which the student is enrolled. The hours for primary or principal applied study are as follows:

<u>Degree Program</u>	<u>Credit Hours per Semester</u>	<u>Lessons Time per Week</u>	<u>Practice per Day</u>
Teacher Certification Option	1	50 min	1-2 hours
Performance Option	2 or 4	50 min	2-4 hours

**Introductory Applied Study:** The study of any instrument or voice in addition to the student's primary instrument or voice may occur in any option or concentration for one credit hour per semester with prior consent of the instructor. Non-music majors wishing to enroll in Introductory Applied Study (MUS 0010-0063) are required to audition for the performance faculty in their area of interest. Auditions are held during the registration period before classes begin. Weekly lessons at this level are twenty-five minutes in length, and students are expected to practice twenty-five minutes per day.

#### **Juries**

The performance faculty in each area evaluates student progress in applied study each semester.

**Junior Standing Jury:** The junior standing jury normally occurs at the end of the fourth semester of applied study and must be passed by the end of the sixth semester, or its equivalent. Students must achieve junior standing in order to enroll in Advanced Applied Study (MUS 3310-3363).

**Jazz Studies Juries:** Students with a concentration in jazz studies are required to pass a junior standing jury in jazz studies in addition to the standard junior standing jury. After achieving junior standing, students must perform the standard jury and a jazz studies jury each semester in residence.

#### **Recital Attendance Requirement**

All music majors are required to complete a total of five semesters of Recital (MUS 1103) for which students must attend a number of recitals and concerts on campus. The Department of Music distributes specific recital attendance requirements and procedures at the beginning of each semester. The requirement for transfer students will be determined by the chair of the Department of Music.

#### **Student Recitals**

**Division and General Recitals:** All students are required to appear in the series of division and general recitals in order to gain experience in musical performance, unless exempted by the applied instructor.

#### **Degree Recitals**

**Option in Music Performance:** Music performance majors are required to perform a fifteen-minute Sophomore Recital (MUS 2101) and, after achieving junior standing, a twenty-five minute Junior Recital (MUS 3101), and a fifty-minute Senior Recital (MUS 4101). Students with a concentration in jazz studies are required to present an additional twenty-five minute jazz recital of small-group improvisation (MUS 3102) in the junior year. The Senior Recital for jazz studies majors must include combo performance, one original composition, and one arrangement for big band. Jazz studies percussionists must demonstrate appropriate skills on mallet instruments, orchestral percussion, and drum set. Composition students should perform all music on the sophomore and junior recitals, and each of these recitals should include at least one original work. All of the music on the senior recital should be original work, with the student performing at least one piece.

## **Theatre Arts (B.A.)**

The Department of Theatre offers programs leading to the Bachelor of Arts degree. It concentrates on undergraduate programs that stress the interdependency of academic and production experiences. This liberal arts program emphasizes the importance of a broad theatre background and the mastery of theatre fundamentals in preparation for the more advanced training found in graduate schools or in professional theatre internship/apprentice programs, or for a career in theatre education.

All students begin a major in Theatre Arts with a core of requirements. Through audition, interview and/or advisement, the Theatre Arts major then selects a particular emphasis that will aid in attaining career goals. Theatre Arts majors must earn a minimum of at least a "C" (2.0) in each major course. A GPA of not less than 2.5 is required in the major.
