There are over 330 alumni, donors, and friends of the University who serve as members of the Foundation. The eleven-member Board of Directors is elected from the general membership. The Foundation's purpose is to assist and support the University's educational and cultural mission through encouraging philanthropic gifts of money, property, works of art, and other materials having educational, artistic, or historical value. The organization has a number of broad objectives, which it has traditionally pursued. These include: sponsoring special events for alumni; assisting with homecoming, reunions, and similar activities; facilitating communication between alumni and the University; assistance in maintaining alumni records; and helping with fundraising and other initiatives which contribute to the welfare of the University.

Eastern Illinois University Parents Club

First formed in the fall of 1974, the Parents Club is an established and energetic organization at Eastern Illinois University. The purpose of the Parents Club is to act as a communication link between the University's administration and parents. Members help to increase the personal ties between the University and the parents by voicing their opinions on policy matters and other issues through the Parents Club board of directors. The Parents Club also selects worthwhile projects to benefit the students, their parents, and the University. Monies collected through membership fees help fund the various projects. All parents and families are invited to join this worthy organization.

In 1985 the Parents Club established a scholarship program available to all Eastern undergraduates. That year, the club awarded one \$500 scholarship. The number of scholarships and the amount of each award is determined yearly by the Parents Club Board. The club has now awarded over \$300,000 to EIU Students.

Eastern Illinois University Annuitant Association

The Eastern Illinois University Annuitant Association (EIUAA), established in 1971, is composed of current and retired EIU employees and their spouses. The organization's goal is to collectively protect, enhance, and advance the goals and common interests of present and future EIU annuitants. EIUAA provides the opportunity to maintain professional and social relationships with fellow EIU employees. Through our newsletter, *New Horizons*, and website (<http://www.eiu.edu/~annuitants/>), we keep our members informed of Annuitant Association meetings, social activities, and important relevant legislative and governmental issues, especially those related to pension and healthcare and Eastern's state funding. The EIUAA provides services for campus activities such as commencement ceremonies, homecoming, open houses and scholarship.

Optional Catalog Requirements

OPTIONAL CATALOG REQUIREMENTS: A native student may choose to graduate under the requirements stated in the Eastern Illinois University catalog current at the time of his/her entrance to the University or under the requirements stated in a subsequent catalog published prior to his/her graduation. An undergraduate transfer student may choose to graduate under the requirements stated in the Eastern Illinois University catalog current at the time he or she initially enrolled at another college or university provided that catalog did not precede his/her enrollment at Eastern Illinois University by more than three years. Such a student may choose to graduate under subsequent catalogs on the same basis as native students.

The catalog options for a student who was concurrently enrolled at any college while still enrolled in high school begin with the catalog in effect during the first semester of college enrollment subsequent to graduation from high school. In no case may a student combine or choose various requirements from several catalogs in order to achieve minimal curriculum.

Student Responsibility

THE STUDENT'S RESPONSIBILITY: Advising is mandatory at all levels. Students cannot register for classes in any semester until they meet with their academic advisor. New freshmen, and those not in a special admission program, are assigned an advisor in the Academic Advising Center (Room 2100, 9th Street Hall) until they have completed at least 15 semester hours at EIU, and have met the requirements of their major department. All undeclared students are advised in the Academic Advising Center.

Certain requirements must be met before a degree is granted. These requirements concern such things as courses, majors and minors, and residence. It is important for students to acquaint themselves with these requirements and to continue to keep themselves informed about them during their college careers. This is accomplished with the assistance of their academic advisor. It is also necessary in the general administration of the University to establish policies and regulations. It is important that students understand the policies and regulations, which they are expected to follow. When changes are announced between catalog publications, they are published in the Official Notices at <http://www.eiu.edu/>.

Illinois Articulation Initiative (IAI)

ILLINOIS ARTICULATION INITIATIVE (IAI): Eastern Illinois University is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of the completed Illinois General Education Core Curriculum between participating institutions. Completion of the transferable General Education Core Curriculum at any participating college or university in Illinois assures transferring students that

lower-division general education requirements for an associate or bachelor's degree have been satisfied. This agreement is in effect for students entering an associate or baccalaureate degree-granting institution as first-time freshmen in summer 1998 (and thereafter).

Eastern's Commitment to Diversity, Nondiscrimination, and Affirmative Action

Eastern Illinois University provides equality of opportunity in education and employment for all students and employees. (Eastern Policy #174). America draws its strength and vitality from the diversity of its people. Eastern Illinois University is enriched by building a pluralistic campus that celebrates and draws upon the talents of all its students, faculty, and staff. (Eastern Policy #174).

Discrimination Is Prohibited and Is Not Tolerated

Eastern does not tolerate discrimination or harassment (including hostile climate related to the factors listed above). Eastern needs your help in achieving a positive campus community for all members which includes ensuring that the university makes every effort to stop any form of potential discrimination and/or harassment. You should come forward with any concern as soon as feasible in order that the university may address it. Even if you are uncertain whether you have experienced or observed a form of prohibited discrimination, you should come forward. Students and employees may also file complaints of discrimination (including sexual harassment and sexual violence) against third parties associated with university activities (e.g., vendors, student teaching supervisors, internship supervisors, visitors). You are protected from retaliation if you bring forward a concern or a complaint of discrimination or participate in an investigatory process. Eastern will take immediate and corrective actions to eliminate discrimination/harassment, prevent its recurrence, and address its effects. Depending upon the circumstances, there are both informal and formal processes that may be used to address concerns and complaints. To the extent permitted by law, the confidentiality of information presented by all parties will be observed except in those instances when it interferes with the ability of the university to investigate the allegation(s) and take necessary corrective action. (Eastern Discrimination Complaint Policy #173 <http://castle.eiu.edu/auditing/173.php>). You are strongly encouraged to contact the Office of Civil Rights and Diversity at 1011 Old Main, 581-5020 or civil@eiu.edu with your questions about discrimination or if you wish to file a complaint of discrimination. Eastern's Title IX Coordinator is located in the Office of Civil Rights and Diversity. Please visit <http://castle.eiu.edu/civil/investigation> for details about the complaint process and your options as a complainant.

Sexual Harassment Is Prohibited and Is Not Tolerated

Sexual harassment is prohibited by Eastern's policies and is a form of illegal sex discrimination prohibited by federal and state laws. Both female and male students could be subjected to sexual harassment by someone of the same sex or opposite sex. Sexual harassment is unwelcome conduct of a sexual nature which encompasses a wide range of conduct including sexual violence. A single incident may constitute harassment or it may be a series of unwelcome behaviors.

Sexual harassment may consist of a variety of behaviors including, but not limited to, subtle pressures for sexual activity, inappropriate touching, offensive or inappropriate language (including electronic content), jokes or gestures, demands for sexual favors, and sexual violence. (Eastern Sexual Harassment Policy #175 <http://castle.eiu.edu/auditing/175.php>). Beyond vigorous campus enforcement of harassment and discrimination laws, members of the university community have established high professional and ethical standards pertaining to consensual romantic/sexual relationships that address the issues of conflict of interest, abuse of power differential, and breach of professional conduct obligations. For example, faculty members and graduate students are prohibited from engaging in consensual amorous/sexual relationships with students who are enrolled in their courses and workplace supervisors may not be in consensual amorous/romantic relationships with students who they supervise. (Eastern Policy #11 <http://castle.eiu.edu/auditing/011.php> and Eastern Policy #11.1 http://castle.eiu.edu/auditing/011_1.php).

Students and employees may also file complaints of discrimination (including sexual harassment and sexual violence) against third parties associated with university activities (e.g., vendors, student teaching supervisors, internship supervisors, visitors). You are protected from retaliation if you bring forward a concern or a complaint or participate in the investigatory process.

Even if you are unsure that what you are experiencing is sexual harassment, seek assistance. Contact the Office of Civil Rights and Diversity at 1011 Old Main, 217-581-5020, civil@eiu.edu. Eastern's Title IX Coordinator is located in the Office of Civil Rights and Diversity. We strongly encourage you to contact us as soon as possible after you perceive that you have experienced harassment or witnessed harassment. Sexual harassment complaints are investigated according to the guidelines of Eastern's Discrimination Complaint Policy #173.

Sexual Assault, Abuse, and Misconduct Is Prohibited and Is Not Tolerated

Eastern Illinois University is committed to providing the safest campus possible for our students, faculty and staff. Sexual assault, abuse or other sexual misconduct including domestic violence, dating violence, and stalking is prohibited and is not tolerated. Information about sexual assault, violence and abuse may be found at <http://www.eiu.edu/sexualassaultresources/>. The university continually endeavors to prevent sexual assault by providing training and educational materials to all students and employees, and by thoroughly investigating reports of assault. Sexual assault is a crime and complaints will receive immediate attention. Once a complaint is received, the first step taken by University personnel will be to ensure that the student complainant is safe and protected from potential harm. University officials can implement immediate, temporary measures while the investigation is being conducted such as, for example, the reassignment of the accused student from a class or residence hall and issuing directives of "no-contact." Such actions are non-punitive and are designed to ensure the safety of the student complainant and the integrity of the investigative process.

The student complainant controls when and where to file a complaint. (In rare circumstances, the university may be required to proceed with an investigation without the cooperation of the complainant, if failing to do so would put the greater campus community at risk.) For the benefit of students, there are multiple options available to the student and this crime may be reported in any, all, or none of these departments - the University Police, the Office of Student Standards, the Office of Civil Rights and Diversity. Eastern's Title IX Coordinator is located in the Office of Civil Rights and Diversity. In addition, students are encouraged to contact Lindsay Wilson, Staff Counselor, (217) 581-3413, who will provide support, advocacy, and discuss options for students.

Student complainants will be kept informed of the steps in the process and are encouraged to participate to the extent they feel comfortable. Complainants are entitled to know the outcome of the Student Standards process pursuant to the Clery Act, and students are informed of the outcome of Civil Rights/Title IX sexual harassment investigations. (Eastern Policy #185 <http://castle.eiu.edu/auditing/185.php>).

Subsequent appeals may also be possible through the Dean and then to the Provost/Vice President for Academic Affairs.
