English Language Arts Option for Teacher Licensure (B.A.)

Total Semester Hours required for the Degree: 123-129 semester hours

Semester Hours required for the English Language Arts Option: 55 semester hours

The English Language Arts Licensure Option is for students who would like to major in English and gain Illinois state licensure at the secondary level to teach English language arts. Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor course, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.75 in order to continue in the program. For students also wanting to be eligible to teach middle school language arts, additional Middle Level Education courses are required.

Core Requirements

Please note that a GPA of 2.75, both cumulative and in the major, is required for departmental approval to student teach. Major GPA based on all English courses taken at EIU, excluding ENG 0990, 0995, 1000, 1001G, 1002G, 1091G, and 1092G. A grade of C or better is required in each course that applies to the major. For the education course work required for this option, see "Teacher Licensure Programs."

This option requires that students follow and meet the requirements for Admission, Retention and Graduation from Teacher Licensure programs as described in the "Teacher Licensure Programs" section of this catalog and as explained at the University Admission to Teacher Education Meeting which all students must attend. Additional information on Admission, Retention and Graduation for Teacher Licensure programs can be found on the College of Education & Professional Studies website at www.eiu.edu/ceps/teached.

All students must pass the Illinois Licensure Test of Academic Proficiency (TAP). Students can substitute ACT plus Writing or SAT scores for the TAP if they meet the minimum scores set by the Illinois State Board of Education. These scores can be found at <http://www.eiu.edu/ceps/teached> or by contacting the CEPS Dean's Office. Students should complete this requirement no later than their sophomore year.

Students must receive a "C" or better in all courses counted toward the English major and in all professional education courses and must maintain a minimum cumulative and major GPA of 2.75 in order to continue in the program.

Students must complete the professional education coursework following the Regular Secondary Education Professional Education Course Sequence. Information is available in the Teacher Licensure Program section of this catalog.

Department of Music

(B. Music; Bachelor of Arts in Music)

Information for Incoming Students

Information on audition dates and requirements is available at the Department of Music Website (www.eiu.edu/music) or by calling the office at 217/581-3010. All entering freshmen and transfer students planning to major in music must pass an audition before enrolling. Prospective composition students must also provide scores and/or recordings of original compositions. Students who are pursuing the teacher licensure option are also required to complete an interview with a music education faculty member. Students who wish to transfer credit in music theory, aural training, music history, applied studies, and piano are required to take placement examinations in these subjects.

Applied Study

All music majors are required to study intermediate or advanced music performance on a one-to-one basis with a studio instructor. Such study is referred to as "applied study." While majors may pursue more than one area of applied study, each student must complete a sizable block of hours in one primary instrument or voice.

The hours of applied study taken each semester vary depending upon the program option in which the student is enrolled. The hours for primary or principal applied study are as follows:~

<u>Degree Program</u>	<u>Credit Hours per Semester</u>	<u>Lesson Time per Week</u>	<u>Practice per Day</u>
Teacher Licensure Option	1	50 min	1-2 hours
Performance Option	2 or 4	50 min	2-4 hours

Introductory Applied Study: The study of any instrument or voice in addition to the student's primary instrument or voice may occur in any option or concentration for one credit hour per semester with prior consent of the instructor. Non-music majors wishing to enroll in Introductory Applied Study are required to audition for the performance faculty in their area of interest. Auditions are held during the registration period before classes begin. Weekly lessons at this level are twenty-five minutes in length, and students are expected to practice twenty-five minutes per day.

Juries

The performance faculty in each area evaluates student progress in applied study each semester.

Advanced Study Jury: The advanced study jury normally occurs at the end of the fourth semester of applied study and must be passed by the end of the sixth semester, or its equivalent. Students must pass this jury in order to enroll in Advanced Applied Study. Music education majors with a vocal or instrumental concentration are required to have at least two credits of Advanced Applied Study prior to graduation; students with a general music concentration must achieve junior standing, but are not required to have upper-division credit in applied study.

Jazz Studies Juries: Jazz studies majors are required to pass a jazz studies jury and a standard jury each semester in residence. They are also required to pass a jazz studies advanced study jury and a standard advanced study jury. After passing the advanced study jury, piano students are exempted from the standard jury requirement. Guitarists are exempted from both the standard jury requirement and the standard advanced study jury requirement.

Junior Standing

In order to achieve junior standing as a music major, all students must pass the advanced study jury on their primary instrument or voice and complete MUS 2502 (Comprehensive Musicianship II) with a "C" or better. Students must achieve junior standing in order to register for MUS 4100 - Senior Recital (Teacher Certification Option) or MUS 4101 - Senior Recital (Performance Option).

Recital Attendance Requirement

All music majors are required to complete a total of five semesters of Recital (MUS 1103) for which students must attend a number of recitals and concerts on campus. The Department of Music distributes specific recital attendance requirements and procedures at the beginning of each semester. The requirement for transfer students will be determined by the chair of the Department of Music.

Student Recitals

Division and General Recitals: All students are required to appear in the series of division and general recitals in order to gain experience in musical performance, unless exempted by the applied instructor.

Degree Recitals

Option in Music Performance: Music performance majors are required to perform a fifteen-minute Sophomore Recital (MUS 2101) and, after achieving junior standing, a twenty-five minute Junior Recital (MUS 3101), and a fifty-minute Senior Recital (MUS 4101). Students with a concentration in jazz studies are required to present an additional twenty-five minute jazz recital of small-group improvisation (MUS 3102)

in the junior year. The Senior Recital for jazz studies majors must include combo performance, one original composition, and one arrangement for big band. Jazz studies percussionists must demonstrate appropriate skills on mallet instruments, orchestral percussion, and drum set. Composition students should perform all music on the sophomore and junior recitals, and each of these recitals should include at least one original work. All of the music on the senior recital should be original work, with the student performing at least one piece.

Teacher Licensure Option: After passing the advanced study jury, music education majors are required to perform a fifteen-minute Junior Recital (MUS 3100) and after achieving junior standing a twenty-five minute Senior Recital (MUS 4100). Students in the general music concentration must pass an advanced study jury with Junior and Senior Recitals being optional.

Liability Notice

In the event that students choose to store their personal musical instruments on campus in any building operated by the University, they thereby waive any and all liability of the University and its employees for loss of, or damage to, such musical instruments by any cause whatsoever, including, but not limited to fire, water, windstorm or other casualty, theft, or dampness or dryness of the air.

Theatre Arts for Teacher Licensure Option (B.A.)

Total Semester Hours required for the Degree: 120+ semester hours

Semester Hours required for the Theatre Arts for Teacher Licensure Option: 44 semester hours

Standard High School Certificate

The Department of Theatre Arts offers programs leading to the Bachelor of Arts degree. It concentrates on undergraduate programs that stress the interdependency of academic and production experiences. This liberal arts program emphasizes the importance of a broad theatre background and the mastery of theatre fundamentals in preparation for the more advanced training found in graduate schools or in professional theatre internship/apprentice programs, or for a career in theatre education.

All students begin a major in Theatre Arts with a core of requirements. Through audition, interview and/or advisement, the Theatre Arts major then selects a particular emphasis that will aid in attaining career goals. Theatre Arts majors must earn a minimum of at least a "C" (2.0) in each major course. A GPA of not less than 2.65 is required in the major.

NOTE: Students majoring in Theatre Arts with Teaching Licensure Option must meet the licensure requirements for endorsement in a second teaching area other than psychology or communication studies. Length of time necessary for completion of the degree will vary depending upon area chosen.

The BA in Theatre Arts with Teacher Licensure comprises

1. 40 hours in general education;
2. 34-37 hours in the regular professional education core;
3. 44 hours in major courses; and
4. a second teaching area.

For students wanting to be eligible to teach in a middle school, additional Middle Level Education courses are required.

Students can substitute ACT plus Writing or SAT scores for the TAP if they meet the minimum scores set by the Illinois State Board of Education. These scores can be found at <http://www.eiu.edu/ceps/teached> or by contacting the CEPS Dean's Office. Students should complete this requirement no later than their sophomore year.

Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor course, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program.
