WHAT TO EXPECT FOR FALL SEMESTER 2020: PROTECT OUR PANTHERS

The Academy of Lifelong Learning is resolute in promoting and providing educational events for adults in east central Illinois. Lifelong learning is designed for people that truly appreciate learning, with voluntary selection of avenues for this pursuit. Knowledge is enhanced with Q & A, and discussion with other learners and facilitators. Individual pursuit of additional study is encouraged.

Events will be different this fall, due to changes in our world as a result of the coronavirus pandemic. We have chosen some new venues that can offer safe social distancing, and have established strict participant maximums for your safety and ours. Some will be offered as virtual events.

FREQUENTLY ASKED QUESTIONS

DO I HAVE TO REGISTER?

YES! The maximum number of safe seating is published and walk-ins will not be admitted until registered participants are seated. Registrations are confirmed by email.

WILL I NEED TO WEAR A MASK, SIT 6-FT. APART, OR GET MY TEMPERATURE CHECKED TO GET IN?

We will comply with each venue's guidelines at the time. Wear your own mask, and be prepared to cooperate with State of Illinois guidelines. Family members or roommates may sit together.

WILL I BE REFUSED ADMITTANCE IF I DON'T COMPLY?

Yes. Safety first.

I'M A LITTLE UNDER THE WEATHER BUT AM SURE IT'S NOT COVID-19. CAN I ATTEND?

No, you may not. If registered, let us know and don't risk anyone's health.

CAN I TAKE A CLASS ON CAMPUS THROUGH THE ACADEMY PASS?

We have decided to postpone this option until the Corona Virus numbers are less volatile, to reduce risk to you, students and faculty.

CAN I REGISTER FOR EVENTS ON-LINE?

Yes! The link to register on-line will be provided in emails, on Facebook (search EIU Academy of Lifelong Learning), and on our EIU web page.

EIU ACADEMY PASS

Academy Pass is not available this fall due to Covid 19 restrictions.

The Academy of Lifelong Learning offers members the opportunity to take a traditional undergraduate course at EIU without tuition through EIU Academy Pass.

This is your opportunity to study most any subject you choose over a semester. Academy members may register for one audited college course per semester without tuition or campus fees. Our ability to place members in each course depends upon open seats, and EIU degree seeking students naturally come first.

Key Points:

- Registration is managed by Academy staff during the two weeks prior to each new semester and is based on seat availability.
- Individual instructors determine the level of involvement expected from students who are auditing a course.
- Your insights and observations are generally welcome, understanding there is a diverse group of students in each course.
- As an Academy Pass student, you will have the benefit of an EIU email account.
- Your requests for specific courses will be accepted throughout the year by emailing us at: academy@eiu.edu and we will make every effort to accommodate your wishes.

FIRE AND FREEDOM: FOOD AND ENSLAVEMENT IN EARLY AMERICA

Tuesday, October 20, 2020
6:30 PM

Instructor: Dr. Michael Gillespie

Location:
Booth Library
West Reading Room
EIU Campus (with virtual access)

“Fire and Freedom: Food and Enslavement in Early America,” an exhibit from the National Library of Medicine/National Institutes of Health, will be on display at Booth Library from Oct. 12-Nov. 21, 2020. Meals can tell us how power is exchanged between and among different peoples, races, genders, and classes. Fire and Freedom: Food and Enslavement in Early America looks at the Chesapeake region, during the early colonial era, where European settlers relied upon indentured servants, Native Americans, and African slave labor for life-saving knowledge of farming and food acquisition,

and to gain economic prosperity. It is through the labor of slaves, like those at George Washington’s Mount Vernon, that we can learn about the ways that meals transcend taste and sustenance. Gillespie will discuss the historical and contemporary circumstances of poverty and food insecurity, from Early America to today.

Michael D. Gillespie is associate professor of Sociology at Eastern Illinois University, which he joined after completing his Ph.D. at Western Michigan University. His research is focused on poverty and food insecurity in Coles County and the Eastern Illinois region.

For over 300 years, the people of Poland have kept an annual tradition of walking across the country to make pilgrimage to the monastery of Jasna Góra, there to venerate the centuries old Byzantine icon and national treasure, the Black Madonna of Częstochowa. The pilgrimage itself has become a part of national heritage and lived cultural expression, being one of the largest visible features of Polish national identity. In August of 2019, the 28th International Military Walking Pilgrimage, organized and supported by the Polish military and inviting the participation of several international

military partners, included two local men from EIU as participants. Representing the Illinois National Guard, they joined the national military of Poland along with other international military delegations from Germany, Slovakia, and Lithuania. In this pilgrimage of peace, they served as ambassadors, seeking to build bridges, cultivate mutual understanding and promote good will among the nations. One a Catholic Chaplain and faculty member at EIU, the other a Religious Affairs Airman and civil service employee at Booth Library, each of these men brought to and took away from this pilgrimage something uniquely valuable to them personally and professionally as Illinois Guardsmen. Indeed, every participant in the pilgrimage reflects the unique experience of each, whether Catholic, non-Catholic, or not religious at all. This extraordinary encounter will be recounted from two distinct perspectives in an attempt to share a truly once in a lifetime experience walking over 200 miles in 10 days across Poland
