EIU ACADEMY PASS

The Academy of Lifelong Learning offers members the opportunity to take a traditional undergraduate course at EIU without tuition through EIU Academy Pass. We encourage you to consider an online or hybrid course this semester.

This is your opportunity to study most any subject you choose over a semester. Academy members may register for one audited college course per semester without tuition or campus fees. Our ability to place members in each course depends upon open seats, and EIU degree seeking students naturally come first.

Key Points:

- Registration is managed by Academy staff during the two weeks prior to each new semester and is based on seat availability.
- Individual instructors determine the level of involvement expected from students who are auditing a course.
- Your insights and observations are generally welcome, understanding there is a diverse group of students in each course.
- As an Academy Pass student, you will have the benefit of an EIU email account, and may be required to use the D2L platform.
- Your requests for specific courses will be accepted throughout the year by emailing us at: academy@eiu.edu and we will make every effort to accommodate your wishes.

the rest is merely tenacity."*

This course will review the history of race in our country, offer opportunities for learners to delve into self identity and grow more competent in understanding how their identity has been shaped, how it impacts their perceptions of others, and others' perceptions of them. It will focus on what it means to realize race is operative and respond through the lenses of race implicitly.

It will deconstruct what it means to be racist. It will explore the reality of institutional/structural racism. It will supply strategies for developing a healthy space for intercultural and interracial involvement where authentic voices can be heard and empathy can be evoked. It will be a course steeped in developing and sustaining empathetic and engaging interaction with those who may seem different because of our socialization expectations. You will learn greater levels of cultural literacy and higher agency and efficacy through clear, confident cross racial dialogue and engagement to support strong relationships and a "more perfect union". All three sessions recommended but not required.

“In the end, we must each tend to our own gulfs of sadness,” Joy Harjo writes in her inspiring, poetic, and deeply emotional memoir, *Crazy Brave*.

Others can assist us, but we must find the path to self-knowledge ourselves, with art, poetry, memoir, music, and nature as our guides. In this discussion/workshop, we will look at the way Harjo weaves dreams, poems, and visions from her American Indian past into a narrative that reveals both the incredible sadness and the powerful beauty of her life. After discussing what makes Harjo’s poetry as well as her memoir so remarkable, participants will free-write on a childhood memory and then will experiment with adding poetry, dreams, song lyrics, etc. in order to enrich their memoir. Sponsored by Coles County Arts Council.

Carolyn J. Stephens will be sharing a Power Point of historical stories and maps with pictures of the defunct Old York Trail and the 1830 Lincoln Path from Charleston to Palestine, Illinois.

The Old York Trail was probably a buffalo trail first, then definitely a Native American Trail, then a pioneer trail bringing settlers to Central Illinois. Later the trail was used to transport farm produce to the Wabash River for transport to be sold as well as purchasing supplies from the thriving city of York on the Wabash River. The stories that are being collected are an amazing historical account of our ancestors and early pioneers who were instrumental in making central Illinois a home for their descendants and those who came after them.

Stephens was awarded the Illinois Community College Faculty Assoc. Dr. Joseph T. Cipfl Faculty Research/Workshop Grant to study this historic trail of which the Lincoln Family traveled in part when migrating from Indiana to Illinois.
