

**Articulation Agreement**  
Between  
**Eastern Illinois University**  
And  
**College of Lake County**

College of Lake County (CLC) and the Board of Trustees of Eastern Illinois University (EIU) form a cooperative relationship through this articulation agreement to serve better our public constituents, to smooth transfer, to minimize duplication of instruction, and to build on community college and university learning experiences. Both institutions recognize that working together, their collective efforts are stronger than their individual efforts.

The two institutions agree to the following:

1. Any student who has completed a transferable Associate in Arts or Associate in Science degree at CLC consistent with the Illinois Articulation Initiative (with the required 2.00 GPA) and submits required application and supporting documentation will automatically be admitted to EIU at the junior level and will be deemed to have met EIU's lower division general education requirement.
2. Acceptance into a specific EIU program is based on the individual transferring student meeting the conditions and considerations listed for that program. Specifically, students completing the **A.S. with an area of study in Earth Science at CLC** will be admitted to the baccalaureate **Geology B.S. at EIU**.
3. The courses listed in the attached prescribed CLC transfer guide has been reviewed and accepted for transfer to EIU.
4. Relationships between CLC and EIU faculty and administration are in the spirit of cooperation and provide the basis for this agreement.
5. Representatives of both institutions agree to meet on a regular basis to assess curricular changes and other conditions that may affect the nature of this agreement.
6. This agreement does not preclude either institution from making curriculum changes as it may solely deem appropriate in which case appropriate prior notice will be given to the operative academic personnel at the cooperating institution.
7. Appropriate publications and promotional materials regarding this agreement will be made available to all CLC students.
8. Either EIU or CLC may dissolve this agreement by giving one years' advance notice to the cooperating institution's president or academic vice president.
9. This agreement is effective with the **2023-2024** academic year and is subject to renewal quadrennially.

#### Notes

<sup>1</sup> A Grade of "C" or better is required for EIU graduation.

<sup>2</sup> CLC Science Elective to earn Earth Science Concentration.

<sup>3</sup> One Course must meet International/Multicultural CLC graduation requirement.

<sup>4</sup> Apply to Eastern one year prior to enrollment. Have official transcripts sent from college and from high school.

<sup>5</sup> May need a prerequisite or appropriate math placement score.

<sup>6</sup> Select from approved Department electives chosen in consultation with an EIU faculty advisor.

<sup>7</sup> All students completing a major in Geology must take a summer field course equivalent to six credit units. The summer field camp must be one from a select list of department-approved courses in consultation with a department advisor.

<sup>8</sup> Completion of the second semester of a single foreign language is an EIU graduation requirement. Students are exempt if two full years of a high school foreign language are completed with a "C" average or better.
