### TOTAL PROGRAM HOURS – 124 SEMESTER HOURS

<sup>1</sup> Grade of "C" or better is required

<sup>2</sup> One course must be culturally diverse.

<sup>3</sup> Apply to Eastern and have official transcripts sent from college and high school.

<sup>4</sup> Electives may be placed into the CIT major electives needed for graduation.

<sup>5</sup> May need additional prerequisites.

NOTE - Completion of two semesters of a single foreign language is an EIU graduation requirement. Students are exempt if completed two full years of a foreign language in high school with a "C" average or better.

# Articulation Agreement

Between

## Eastern Illinois University

And

## Parkland College

Parkland College (PC) and the Board of Trustees of Eastern Illinois University (EIU) form a cooperative relationship through this articulation agreement to serve better our public constituents, to smooth transfer, to minimize duplication of instruction, and to build on community college and university learning experiences. Both institutions recognize that working together, their collective efforts are stronger than their individual efforts.

The two institutions agree to the following:

1. Any student who has completed a transferable associates degree at PC consistent with the Illinois Articulation Initiative (with the required 2.00 GPA) and submits required application and supporting documentation will automatically be admitted to EIU at the junior level and will be deemed to have met EIU's lower division general education requirement.
2. Acceptance into a specific EIU program is based on the individual transferring student meeting the conditions and considerations listed for that program. Specifically, students completing the **Computer Information Systems A.S.** from PC will be admitted to the baccalaureate **Computer Information and Technology B.S.** at EIU.
3. The courses listed in the attached prescribed PC transfer guide have been reviewed and accepted for transfer to EIU.
4. Relationships between PC and EIU faculty and administration are in the spirit of cooperation and provide the basis for this agreement
5. Representatives of both institutions agree to meet on a regular basis to assess curricular changes and other conditions that may affect the nature of this agreement.
6. This agreement does not preclude either institution from making curriculum changes as it may solely deem appropriate in which case appropriate prior notice will be given to the operative academic personnel at the cooperating institution.
7. Appropriate publications and promotional materials regarding this agreement will be made available to all PC students.
8. Either EIU or PC may dissolve this agreement by giving one years' advance notice to the cooperating institution's president or academic vice president.
9. This agreement is effective with the **2023-2024** academic year and is subject to renewal quadrennially.
