² Either the Physical Science or the Life Science class must have a lab component.

³ Or select another Humanities/Fine Arts course that also satisfies Global Studies or U.S. Diversity Studies requirement. Select a discipline not taken previously.

Articulation Agreement Between Eastern Illinois University And Oakton College

Oakton College (OC) and the Board of Trustees of Eastern Illinois University (EIU) form a cooperative relationship through this articulation agreement to serve better our public constituents, to smooth transfer, to minimize duplication of instruction, and to build on community college and university learning experiences. Both institutions recognize that working together, their collective efforts are stronger than their individual efforts.

The two institutions agree to the following:

1. Any student who has completed a baccalaureate-oriented associates degree at OC consistent with the Illinois Articulation Initiative (with the required 2.00 GPA) and submits required application and supporting documentation will automatically be admitted to EIU at the junior level and will be deemed to have met EIU's lower-division general education requirement.
2. Acceptance into a specific EIU program is based on the individual transferring student meeting the conditions and considerations listed for that program. Specifically, students completing the **Music A.F.A. at OC** will be admitted to the baccalaureate **Music B.M. Teacher Licensure Option, Vocal Concentration** at EIU.
3. The courses listed in the attached prescribed OC transfer guide has been reviewed and accepted for transfer to EIU.
4. Relationships between OC and EIU faculty and administration are in the spirit of cooperation and provide the basis for this agreement
5. Representatives of both institutions agree to meet on a regular basis to assess curricular changes and other conditions that may affect the nature of this agreement.
6. This agreement does not preclude either institution from making curriculum changes as it may solely deem appropriate in which case appropriate prior notice will be given to the operative academic personnel at the cooperating institution.
7. Appropriate publications and promotional materials regarding this agreement will be made available to all OC students.
8. Either EIU or OC may dissolve this agreement by giving one years' advance notice to the cooperating institution's president or academic vice president.
9. This agreement is effective with the **2026-2027** academic year and is subject to renewal quadrennially.
