

BACHELOR OF SCIENCE IN EXERCISE SCIENCE

PREPARING YOU FOR A LIFE OF SUCCESS.

The Kinesiology, Sport, and Recreation undergraduate program in Exercise Science provides students with the scientific knowledge of the underlying principles of physical activity and exercise through instruction and practical experience.

Upon graduation, students are prepared for employment in the growing fields of fitness, strength and conditioning, and wellness. Additionally, students are prepared to pursue further graduate-level education in the areas of physical and occupational rehabilitation, medicine, chiropractic, and other allied health fields.

This well-rounded degree can prepare you for jobs such as:

- *Exercise physiologist in cardiac rehabilitation*
- *Strength and conditioning coach*
- *Health and wellness coach*
- *Corporate wellness coordinator*
- *Exercise specialist in special populations – cancer*
- *Personal trainer*
- *Physical activity in public health specialist*
- *Group fitness instructor*
- *And many more...*

INTERNSHIP OF YOUR CHOICE

Upon successful completion of all required coursework, students will earn credit by fulfilling requirements for an internship in a fitness or clinical setting of their choice.

ACADEMIC FOUNDATION BASED ON NATIONAL GUIDELINES

Students receive an academic foundation in the areas of exercise physiology, fitness assessment, biomechanics, functional movement, exercise prescription, and exercise psychology. The program is based upon the guidelines and standards developed by the National Strength and Conditioning Association (NSCA) and American College of Sports Medicine (ACSM).

ADDITIONAL OPPORTUNITIES

- Exercise Science Club
- A variety of volunteer opportunities are made available to students each semester. Additional information may be found at the Civic Engagement and Volunteerism website www.eiu.edu/volunteer.
- Undergraduate Research

TOTAL MAJOR COURSEWORK:120-124 HRS

- For a listing of General Education courses, see catalog.
- A grade of C or better is required in BIO 2210, BIO 2220 and all Kinesiology, Sport, and Recreation courses counting toward the major.
- All Exercise Science students are not accepted into major and cannot take any upper division KSR courses until they have taken BIO 2210, KSR 1500 and KSR 2440 and received a grade of "C" or better in each course.
- Exercise Science major students must show proof of Adult CPR/AED/First Aid certification prior to enrollment in KSR 4275 - Internship.
- Exercise Science major students may receive a grade in 3000 and 4000-level Kinesiology and Sports Studies courses a maximum of two times. After a grade has been recorded in a 3000 or 4000-level KSR course at EIU, the Department of Kinesiology, Sport, and Recreation will not accept subsequent transfer of an equivalent course from another institution unless the KSR department has given prior written approval to enroll in the specific course at the specific institution. If after a second grade has been recorded for a given course and the student has not received a grade of C or better, the student will not be allowed to continue as an Exercise Science major and shall consult with his or her advisor to select a different major.
