

# BACHELOR OF FINE ARTS IN ART EDUCATION WITH TEACHER LICENSURE

## TEACHING A LOVE FOR ART

EIU is dedicated to preparing tomorrow's art educators with contemporary knowledge, transformative experiences, and a supportive community of peers and faculty who share a passion for both art and teaching. In our program, students are encouraged and challenged to reach their fullest potential as artists, educators, and leaders.

The Art + Design Department enriches learning each year with dynamic programming that connects students to professionals, alumni, museums, galleries, and exhibitions, offering invaluable first-hand experiences. Our art education majors engage with current practices in both contemporary art-making and teaching, gaining the tools to inspire the next generation of learners.

Through meaningful, hands-on teaching activities, graduates emerge fully prepared to launch their careers in education or pursue advanced study, equipped with creativity, confidence, and purpose.
