## **Art with Teacher Certification Regular Secondary Education Program (Reg)**

### **Footnotes**

+Minimum Grade for Teacher Certification Program – Effective February 1, 2012, the Illinois State Board of Education will no longer allow any grade lower than a “C” to be used in a teacher certification program. All students graduating after December 2011 with a teacher certification major must earn a grade of “C” or better in all courses, regardless where they are taken, used toward graduation. This includes general education, professional education, major and minor courses, all university required courses, and electives. Furthermore, any course used for the purpose of adding endorsements to a teaching certificate must be completed with a grade of “C” or better.

<sup>1</sup>Requires University Approval to Take Teacher Education Courses

<sup>2</sup>Teacher Certification candidates are required to take a 3-semester hour diversity course or third world/non-western culture course. Students need to confer with an academic advisor regarding which designated general education courses fulfill the requirement.

<sup>3</sup>GRADUATION REQUIREMENT FOR FOREIGN LANGUAGE (0-8 HOURS)

The graduation requirement is successful completion of two courses in a single foreign language. Exemption: Students entering university FALL 93 and after must have completed two (2) years in a single Foreign Language in High School with a grade of “C” or better to have satisfied this requirement.

<sup>4</sup>The nine semester hours of art electives in a selected art medium should be taken from coursework in ceramics, drawing and painting, graphic design/electronic media, jewelry/metalsmithing, printmaking, or sculpture.

<sup>5</sup>For students in the Art Education Option, the University Approval to Take Teacher Education Courses should occur no later than the first semester of the Junior year or the semester completing ART 2400. This will allow students planning to take the Regular Secondary Education Program to take EDP 3331 and SED 3330 the second semester of the Junior year and ART 3410/3415 the first semester of the Senior year. While the Regular Secondary Education Program is satisfactory for completing the professional education coursework the Art Department recommends students enroll in the Integrated Secondary Education Program (ISEP) to complete this requirement for teacher certification.

<sup>6</sup>Students may **enroll** in any undergraduate professional education course that includes a field experience or practicum **no more than twice**.

<sup>7</sup>Credits count for both Teacher Certification option and General Education Fine Arts requirements.
