

Speaking Across the Curriculum Report Data from Summer 2015-Spring 2023

At the University level, speaking data are collected in two required general education courses: at the 1000 level in CMN 1310G and at the senior level in the senior seminar courses. The following chart offers the speaking data collected over time from the freshman level course. Scores are based on the 4-point Likert scale adopted by Eastern wherein 4=highly competent; 3=competent; 2=minimally competent; and 1=not competent. Scores come from instructors who have given the assignment in the respective courses. **Due to Covid-19, SP20 and SU20 data not collected.*
