Eastern Illinois University Health and Counseling Services – Medical Clinic

For Camp and Conference Guests

Eastern Illinois University Health and Counseling Services – Medical Clinic is available for camp and conference guests during regular operating hours for primary care visits. The HCS Medical Clinic is an ambulatory facility (patients must be able to get to the HCS Medical Clinic for treatment) and does not function as an emergency room.

Medical Treatment Form:

Participants are required to submit a “Medical Treatment” form with their camp registration information. A copy of this form is provided to the HCS Medical Clinic, in the event that a camp or conference guest needs medical treatment on campus. Additionally, the treatment form is kept with the respective camp organizers. For emergency or “after hours” care, the treatment form would be available to the medical provider by the camp organizer.

Health and Counseling Services – Medical Clinic Service Charges:

The individual camp and conference fees, paid by participants, do not include provisions for services rendered at Eastern’s HCS Medical Clinic. **Charges incurred at the HCS Medical Clinic are the responsibility of the camper or the parent/guardian, if the camper is under the age of 18.** Charges are expected to be paid by the individual at time of treatment. Charges not paid will be added to the final invoice sent to the camp or conference.

Insurance Processing:

The HCS Medical Clinic is not able to process insurance claims for patients since “on campus” medical services are funded by our student’s Health Service fees. For this reason, health care services are billed directly to the camp participant or parent/guardian. HCS Medical Clinic bills are properly coded to enable patients to submit their bills for reimbursement or payment through their primary health care insurance provider, if desirable or possible. Please be aware that not all insurance providers will honor services rendered outside their realm of medical providers. Questions about health insurance coverage, while attending a camp or conference at Eastern, should be directed to the participant’s individual insurance providers.

Services Available at Eastern’s Health and Counseling Service Medical Clinic:

Our services include medical treatment, exams, consultations and referrals for specialty care, standard laboratory and x-ray procedures, pharmacy services, over-the-counter medications and medical supplies (such as slings, braces, etc.)

Office visits: **\$ 30 for RN visit** (Visitors who “walk-in” for care are initially triaged by a RN. It is not always necessary for visitors to be scheduled with a MD for services a RN is capable of providing. A RN may require MD services following an initial triage.
 \$60 for MD visit (includes RN triage and MD visit)

Other fees

For services: **Laboratory Tests** **\$10-\$100 per test**
 X-ray Services **\$50-\$170 per exam plus \$15 radiology charge**
 Pharmacy Services **Cost of Rx + \$2, starting at \$10, if available**

(Pharmacy medications may be filled by the Health and Counseling Services pharmacy or a local retail pharmacy off campus. The Health and Counseling Services pharmacy does not accept Medicaid, insurance or charge cards. Payment for pharmacy medications must be made in cash upon receipt of the prescription.)

All Health and Counseling Service fees are subject to change. The above prices are to be used as a guide.
