

ALL GREEK INTRAMURAL CHAMPIONS POINT SYSTEM

PURPOSE: To foster friendly competition between Greeks as they compete in an accumulation of points to determine the ALL GREEK CHAMPION for members. Our office is interested in feedback regarding this program.

I. ELIGIBILITY

- A. Greek teams are limited to current members in good standing in their organization that meet the intramural eligibility requirements. While off campus teams may compete in Greek leagues and events, they will not be considered in the quest for the ALL GREEK SPORTS CHAMPIONSHIP.
- B. Regardless of the number of teams entered by a particular fraternity or sorority, only one team in each division will be eligible to accumulate points. Any or all teams from a fraternity or sorority will receive deductions; however, the team that finishes highest in the playoffs will be the team that will accumulate the points.
- C. When A & B leagues are offered, a "B" league will only offer half as many points as an "A" league. Teams in both levels result in "A" overriding "B." Deductions will remain at the same level for all leagues.
- D. Only two teams or individuals per fraternity or sorority may represent that fraternity or sorority in any individual or dual event for positive points, regardless of the number of levels or divisions offered. Any number of players may enter, but only two will earn points. All individuals or teams will still receive applicable deductions.
- E. Team names should include affiliation

II. AWARDS

- A. A traveling cup for the winning fraternity and another for winning sorority will be awarded to the ALL GREEK INTRAMURAL CHAMPIONS. The cups will remain with the respective champions until the next year ends

No deductions will be considered if the Assistant Director of Programs or Intramural Graduate Assistant are notified 24 hours in advance of the scheduled game. This will be considered a "default". For individual and dual events, a (-15) deduction will be levied against the Greek organization in which the forfeiting player resides.
2. **Ejections:** Each ejected player will result in a (-25) point deduction for their team.
3. **Team Responsibilities:** Each team will receive a (-25) point deduction for failing to fulfill team responsibilities. Examples include, but are not limited to: incomplete rosters, failure to have a representative at the captain's meeting.
4. Any Divisional Champion not playing the All Campus Championship game (by default or forfeit) will lose ALL playoff points for that sport (& total points if determined by Director).
5. "Bids" not turned into Greek Life before the start of an event/sport will be (-25) point deduction for game/event played with "protest" filed (determined by Director). The game will also be forfeited if a proper "protest" is filed.
6. **Tie Breakers:** If two teams tie in total points earned at the end of the year, a winner will be declared by the least amount of defaults, forfeits, and ejections by each team. Start the process with forfeits.
