

ALL INTERHALL INTRAMURAL CHAMPIONS POINT SYSTEM

PURPOSE: To foster friendly competition between halls as they compete in an accumulation of points to determine the ALL INTERHALL CHAMPION.

I. ELIGIBILITY

- A. Hall teams are limited to current residents or off-campus students that meet Interhall eligibility requirements. While off campus teams may compete in Interhall leagues and events, they will not be considered in the quest for the ALL INTERHALL CHAMPIONSHIP.
- B. Regardless of the number of teams entered by a particular hall, only one team in each division will be eligible to accumulate points. Any or all teams from a hall will receive deductions; however, the team that finishes highest in the playoffs will be the team that will accumulate the points.
- C. When A & B leagues are offered, a "B" league will only offer half as many points as an "A" league. Deductions will remain at the same level for all leagues.
- D. Only two teams or individuals per hall may represent that hall in any individual or dual event for positive points, regardless of the number of levels or divisions offered. Any number of players may enter, but only two will earn points. All individuals or teams will still receive applicable deductions.
- E. Team names, upon sign-up, must include Greek affiliation to be included in Greek playoffs and receive Greek points.

II. AWARDS

- A. A traveling cup for participants will be awarded to the ALL INTERHALL CHAMPIONS. The cups will remain with the respective champions until the next year ends.

D. Deductions

- 1. Forfeits- In team events, teams will receive a (-50) point deduction for a forfeit. No deductions will be considered if the Assistant Director of Programs or Intramural

Graduate Assistant is notified 24 hours in advance of the scheduled game. This will be considered a "default". For individual and dual events, a (-25) deduction will be levied against the hall in which the forfeiting player resides.

2. Ejections- Each ejected player will result in a (-25) point deduction for their team.

3. Team Responsibilities- Each team will receive a (-25) point deduction for failing to fulfill team responsibilities. Examples include, but are not limited to: incomplete rosters, failure to have a representative at the captain's meeting, etc.

4. Any Divisional Champion not playing the All Campus Championship game (by default or forfeit) will lose ALL playoff points for that event (& total points if determined by Assistant Director).
