

## MEMORANDUM

**TO:** Council on Graduate Studies

**FROM:** Dr. John R. Storsved, Dean

**SUBJECT:** Executive Action

**DATE:** April 11, 2023

**EFFECTIVE DATE:** Fall 2023

**REQUEST:**

- Revise the course prerequisites and add a note regarding course restrictions for CDS 4850 and 4900.
- Remove the following courses from the catalog: NTR 4758, PUBH 4810, PUBH 4820, and PUBH 4900.

See attached.

Catalog Copy:

**1. CDS 4850 - Independent Study.**

(Arr.-Arr.-1 to 6) (May be repeated once to maximum of six semester hours.) Independent directed study in speech, language, or hearing processes or disorders. ~~Prerequisites & Notes: Admission to major and permission of department chair.~~ **Course restricted to CDS majors and minors.** Credits: 1 to 6

**2. CDS 4900 - Clinical Practice.**

(Arr.-Arr.-1) F, S. (Credit/No Credit) Supervised work with persons with a communication disorder. Prerequisites & Notes: ~~Admission to the major,~~ CDS 3100, 3200, 3700, 3900; a major GPA of 2.75 and a cumulative GPA of 2.50; or permission of the department chairperson. May be repeated for a maximum of 2 semester hours with permission of the Department Chair. This course is available during Summer Session only with permission of the department chair. **Course restricted to CDS majors.** Credits: 1

**3. ~~NTR 4758 - Culinary Medicine.~~**

~~(2-1-3) S. Application of medical nutrition therapies in the prevention and treatment of select diseases. Prerequisites & Notes: A grade of "C" or better in NTR/FCS 1120 and NTR/FCS 2100/2190. Credit will not be granted for both NTR 4758 and NTR/FCS 4757. NTR 4758 can be repeated after NTR 4757 for credit and a grade recalculation. Credits: 3~~

4. **PUBH 4810—Community Resources and Chemical Dependency.**  
(2-0-2) F. This course is designed to familiarize the student with self-help groups, intervention programs, and various community resources available to deal with the problem of chemical dependency. Prerequisites & Notes: PUBH 4800. Credits: 2
  
5. **PUBH 4820—DUI: Legal Issues.**  
(2-0-2) S. This course will familiarize the student with the state DUI laws, policies and procedures in reference to DUI; remedial education classes; evaluation and assessment of clients; and administration and scoring of tests used in DUI processes. Prerequisites & Notes: PUBH 4800. Credits: 2
  
6. **PUBH 4900—Multi-Phase Driver Education.**  
(2-2-3) S. The five-phase driver education curriculum. Actual practice with multi-media equipment simulators, student response systems and the multi-car range. Prerequisites & Notes: PUBH 3310 or concurrent enrollment or permission of the instructor. Credits: 3

**Eastern Illinois University**  
**Department of Communication Disorders & Sciences**

To: Dr. John Storsved, Dean of the College of Health and Human Services  
From: Dr. Rebecca Throneburg, Chair of the Communication Disorders & Sciences Department  
Date: March 27, 2023  
Re: Executive Action Request

**Effective Date:**

Fall 2023

**Actions Requested:**

Revise the course prerequisites and add a note regarding course restrictions for CDS 3100, 3200, 3300, 3500, 3700, 3900, 4300, 4500, 4850, and 4900.

**Rationale:**

The requested updates clarify that the courses are to be restricted to CDS majors and/or minors. In addition, the revisions bring the course prerequisites up-to-date with current requirements.

**Catalog Copy:**

**7. CDS 3100 - Phonological Assessment and Remediation.**

(3-0-3) F. Study of the diagnostic evaluation and intervention techniques for functional phonological disorders. Assessment and remediation procedures include options within phonological rule-based and traditional motor-production approaches. Prerequisites & Notes: Admission to the major, CDS 2100.  
**Course restricted to CDS majors and minors.** Credits: 3

**8. CDS 3200 - Developmental Language Disorders.**

(3-0-3) F. Study and application of the causes of language disorders and the assessment and intervention strategies applied to language disordered children in early, middle, or later stages of language development in both major and minority cultures. Prerequisites & Notes: Admission to the major, CDS 2200; or permission of the chair. **Course restricted to CDS majors and minors.** Credits: 3

**9. CDS 3300 - Sign Language and Deaf Culture.**

(2-0-2) S. This course introduces students to varied forms of manual communication (e.g., signed English, American Sign Language, Cued Speech) and Deaf Culture. Students will develop accuracy and fluency with receptive and expressive signing skills, including basic vocabulary and simple conversation, and apply concepts to use with individuals with communication disorders. Prerequisites & Notes: Admission to the Communication Disorders & Sciences major or minor. **Course restricted to CDS majors and minors.** Credit will not be granted for both CDS 3300 and CDS 4810. Credits: 2

**10. CDS 3500 - Neurological/Embryological Aspects of Communication.**

(3-0-3) S. Study of the neurological and embryological process of human communication. Prerequisites & Notes: Admission to the major, CDS 2500, or permission of the Chair. **Course restricted to CDS majors and minors.** Credits: 3

**11. CDS 3700 - Diagnosis and Treatment of Communication Disorders.**

(3-0-3) F. Study of general diagnostic principles and techniques including case history development and speech mechanism exams, general treatment principles and paradigms, and clinical report writing. Prerequisites & Notes: Prior completion or concurrent enrollment in CDS 3100, CDS 3200; Admission to the Communication Disorders and Sciences major. **Course restricted to CDS majors and minors.** Credits: 3

**12. CDS 3900 - Introduction to Clinical Techniques in Communication Disorders and Sciences.**

(2-0-2) F, S. An introduction to a variety of methodologies used in the management of communication disorders. This course will include both lecture and small group discussion of video clips demonstrating the methodologies covered in lecture. Students will shadow a clinician to prepare them for future clinical practicum assignments. Students will complete 25 hours of pre-clinical observation required by the American Speech-Language-Hearing Association. Course restricted to CDS majors. This course is graded A, B, C, N/C. WI Prerequisites & Notes: ~~Admission to the major and p~~ Prior completion of CDS 3100, 3200, and 3700. **Course restricted to CDS majors and minors.** Course may not be repeated. Credits: 2

**13. CDS 4300 - Introduction to Audiology.**

(3-0-3) F. The purpose of this course is to provide an overview of audiologic assessment and associated hearing disorders and to review the necessary hearing science principles. Prerequisites & Notes: ~~Admission to the major.~~ CDS 2500 and 2800; or permission of the Department Chair. **Course restricted to CDS majors and minors.** Credits: 3

**14. CDS 4500 - Introduction to Medical Speech-Language Pathology.**

(3-0-3) On Demand. This course provides an introduction to acquired communication disorders and medical speech-language pathology. It covers common etiologies and characteristics of adult neurogenic communication disorders such as motor speech disorders, dysphagia, aphasia, cognitive communication, and voice disorders. Brief assessment and treatment options for each disorder are introduced. Roles and responsibilities of the speech-language pathologist in the medical setting are described. ~~Prerequisites & Notes: BIO 2005G or BIO 2210.~~ **Course restricted to CDS majors and minors.** Credits: 3

**15. CDS 4850 - Independent Study.**

(Arr.-Arr.-1 to 6) (May be repeated once to maximum of six semester hours.) Independent directed study in speech, language, or hearing processes or disorders. ~~Prerequisites & Notes: Admission to major and permission of department chair.~~ **Course restricted to CDS majors and minors.** Credits: 1 to 6

**16. CDS 4900 - Clinical Practice.**

(Arr.-Arr.-1) F, S. (Credit/No Credit) Supervised work with persons with a communication disorder. Prerequisites & Notes: ~~Admission to the major.~~ CDS 3100, 3200, 3700, 3900; a major GPA of 2.75 and a cumulative GPA of 2.50; or permission of the department chairperson. May be repeated for a maximum of 2 semester hours with permission of the Department Chair. This course is available during Summer Session only with permission of the department chair. **Course restricted to CDS majors.** Credits: 1

**Eastern Illinois University**  
**Department of Public Health and Nutrition**

To: Dr. John Storsved, Dean of the College of Health and Human Services  
From: Dr. Julie Dietz, Chair of the Public Health and Nutrition Department  
Date: April 10, 2023  
Re: Executive Action Request

**Effective Date:**

Fall 2023

**Actions Requested:**

Remove the following courses from the catalog: NTR 4758, PUBH 3310, 3320, 3360, 4810, 4820, and 4900.

**Rationale:**

The NTR 4758 course is not being taught, and there are no plans to teach it.

The Public Health courses were once offered as part of the Safety and Driver Education Minor for Teacher Certification. However, that minor was eliminated several years ago at which point the courses were no longer offered.

**Catalog Copy:**

1. **~~NTR 4758—Culinary Medicine.~~**  
~~(2-1-3) S. Application of medical nutrition therapies in the prevention and treatment of select diseases. Prerequisites & Notes: A grade of "C" or better in NTR/FCS 1120 and NTR/FCS 2100/2190. Credit will not be granted for both NTR 4758 and NTR/FCS 4757. NTR 4758 can be repeated after NTR 4757 for credit and a grade recalculation. Credits: 3~~
2. **~~PUBH 3310—Driver Task Analysis.~~**  
~~(3-1-3) A foundation course in Driver Education teacher preparation that pertains to the highway transportation system, traffic problems, the driving task, perception and implementation of the driver education program. Behind the wheel laboratory experience is included. Course restricted to Teacher Education Majors. Prerequisites & Notes: A valid driver's license with a good driving record. Credits: 3~~
3. **~~PUBH 3320—Introduction to Classroom Methods in Driver Education.~~**  
~~(3-0-3) A foundation course in Driver Education teacher preparation that explores and develops classroom content, skills, and methodologies for driver education teachers. Current rules and regulations governing driver education administration, organization, and evaluation are included. Course restricted to Teacher Education Majors. Prerequisites & Notes: Credit for or concurrent enrollment in PUBH 3310. Credits: 3~~
4. **~~PUBH 3360—Classroom and Behind the Wheel Teaching Methods for Driver Education.~~**  
~~(3-2-4) This course is designed to provide the prospective driver education teacher with the knowledge and skills necessary to successfully conduct classroom and behind the wheel instruction, provide a safe learning environment while doing so and evaluate new driver performance. Learning activities will focus on preparing the prospective driver educator to conduct activities which develop vehicle operational skills for a novice driver. Course restricted to Teacher Education Majors. Prerequisites & Notes: Valid driving license; good driving record, PUBH 3310 and PUBH 3320 or concurrent enrollment with PUBH 3360 with the permission of the chair. Credits: 4~~
5. **~~PUBH 4810—Community Resources and Chemical Dependency.~~**  
~~(2-0-2) F. This course is designed to familiarize the student with self-help groups, intervention programs, and various community resources available to deal with the problem of chemical dependency. Prerequisites & Notes: PUBH 4800. Credits: 2~~

6. **PUBH 4820—DUI: Legal Issues.**

(2-0-2) S. This course will familiarize the student with the state DUI laws, policies and procedures in reference to DUI; remedial education classes; evaluation and assessment of clients; and administration and scoring of tests used in DUI processes. Prerequisites & Notes: PUBH 4800. Credits: 2

7. **PUBH 4900—Multi-Phase Driver Education.**

(2-2-3) S. The five-phase driver education curriculum. Actual practice with multi-media equipment simulators, student response systems and the multi-car range. Prerequisites & Notes: PUBH 3310 or concurrent enrollment or permission of the instructor. Credits: 3
