RE: Executive Action Taken at the College of Sciences Curriculum Committee Meeting of January 29, 2010

The following was approved by executive action at the College of Sciences Curriculum Committee meeting on January 29, 2010 to be effective Fall 2010. I ask that similar action be taken at the Council on Graduate Studies.

Request #1:

Requested Change: Drop MAT 4850 – Operations Research from the catalog

Current Catalog Listing:

MAT 4850 - Operations Research.(3-0-3) S.
Construction and use of mathematical models in industrial problem solving; linear programming, decision and game theory. PERT-CPM, inventory models, queuing theory, and simulation. Prerequisites: MAT 2550, 3702, and 4750.

Rationale for Change: Pending approval of proposed changes in Mathematics Option 2 program this course will no longer be required. Some or all of the material could be covered in a version of the proposed new MAT 4345 – Topics in Applied Mathematics.

Effective Term/Year: Fall 2010.
