Students choose a concentration either in Clinical Mental Health or School Counseling, both accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). These concentrations lead to a terminal degree and prepare students for employment either as School Counselors within K-12 school systems or as Clinical Mental Health Counselors within mental health agencies, health care facilities, employee assistance programs (EAP), or human service agencies. Students who complete the program are eligible to pursue Ph.D./Ed.D. studies in Counselor Education, Counseling Psychology, Clinical Psychology, and other related fields or to pursue specialized training in Marriage and Family Counseling, Play Therapy, or Private Practice.

Admission Requirements: To be eligible for degree candidacy, applicants must meet all of the requirements for admission to the Graduate School (see "Admission to Graduate Degree and Certificate Programs"). In addition, students must:

- Complete and submit the departmental admission application;
- Submit two departmental recommendation forms from individuals familiar with applicant's academic or work performance. (The department prefers academic reference if possible.);
- Deadline for submitting materials. See department website for specific deadline date (typically mid-February).
- Based on application material supplied by the departmental deadline, applicants will be invited to attend a Pre-Admission/Orientation Interview approximately two weeks after deadline for submitting materials (see department website for specific date). If not selected for an interview, applicants may request their file be held for next year's review.

Additional admission requirements for those applicants seeking the School Counseling Concentration: Students are required to obtain a passing score on the Test of Academic Proficiency (TAP) or its Illinois approved substitute (see department website for additional information) prior to being fully admitted to the school counseling concentration. Alternative admission status is available for those students seeking a passing score on the TAP. Contact the office for more details.

Admission requirements for Post Master's students seeking alternative certification as a School Counselor: Post Master's students seeking alternative certification as a School Counselor are required to request a transcript analysis by the department and meet admission requirements listed above.

Degree Audit: The graduate plan of study is the EIU Degree Audit, which is generated automatically in the Degree Audit Reporting System (DARS) at the time of degree or certificate candidacy. Modifications of the standard EIU Degree Audit are submitted by the graduate coordinator to the certification officer in the Graduate School at the time modifications are approved. The Degree Audit serves as an unofficial summary of requirements for the program. Degree and certificate candidates are advised to review the comprehensive summary of the Degree Audit process specified on the "Requirements for All Degree and Certificate Candidates" section of the Graduate Catalog. Individual programs may require candidates to submit plans of study in addition to the Degree Audit, candidates should consult with the program coordinator.
