To: D. Hoadley, Dean College of Business and Applied Sciences

From: Jim Painter Chairperson School of Family & Consumer Sciences

Date: January 24, 2009

The Dietetics program area is requesting that the following name change be submitted by Executive Action to be effective Fall 2009:

Change FCS 5155 Teaching and Marketing Nutrition to
FCS 5155 Principles of Nutrition Education

The course will stay the same with only the name change. Students have expressed a concern that they are not aware of the nutrition education component of our program. This course actually focuses on nutrition education but the name change would make that fact more obvious to the students.
