PROPOSAL TO MODIFY COURSES APPROVED FOR THE BUSINESS

ADMINISTRATION MINOR

Nantz presented the changes in the minor. The proposal was put on the agenda to be voted on at the next meeting.

PROPOSAL FOR ACCOUNTANCY MINOR

Nantz presented the minor. Concerns were raised about excluding students who were outside the School of Business. Nantz explained that an Entrepreneurship minor was in process that would meet the needs of other students. This minor is meant to cross the bodies of students in Finance and Accounting and enhance their marketability. Discussion ensued concerning the minor only requiring twelve hours and that nine had to be in residence. Nantz will discuss these concerns with the Business Curriculum Committee and report back. The proposal was put on the agenda to be voted on at the next meeting.

PROPOSAL FOR FINANCE MINOR

Nantz presented the minor. The same questions raised about the Accountancy minor were concerns here as well. The proposal was put on the agenda to be voted on at the next meeting.

OLD BUSINESS

Chadd reported that the revisions in the committee by-laws were approved. Hennig will make changes and distribute copies to committee members.

NEXT MEETING

The next meeting is scheduled for Wednesday, March 19, 2008 at 3:00 in the Dean's Conference Room.

Respectfully Submitted,
Mary Hennig, Recorder
