To meet CACREP accreditation standards and conform to EIU revised CU guidelines, the Department of Counseling and Student Development would like the following course title changes approved and revised in the graduate catalog:

Course Number	Current Title	New Title
CSD 6900	Clinical Counseling Internship	Supervised Clinical Experience
CSD 6920	School Counseling Internship	Supervised Clinical Experience

Semester hour credit, course description, and course content will remain the same. Please make changes effective spring 2010.
