

EDF 5560 was approved as a course in Spring 2018 to replace EDF 5530, EDF 5535, and EDF 5540 in the graduate program of Curriculum and Instruction. That program's course revisions caused the MSED semester hour policy to no longer match, impacting all MSED graduate programs. The revised catalog copy below will bring the College of Education policy in sync for all MSED programs.

CGA Agenda Item: 21-46 Effective Immediately
---
