Re: Request for Executive Action from the Department of Music

Requested Change:

For the course MUS 5120, “Music Theatre/Opera Workshop,” the following two actions:

1. Add the statement “May be repeated once for credit” to the catalog listing; and
2. Create “A,” “B,” “D,” and “E” sections similar to every other music ensemble course.

Rationale:

Students in the MA in Music—Vocal Performance concentration are required to take MUS 5120 each semester in residence (4 semesters), but current restrictions are creating a problem. These changes would align the catalog listing for MUS 5120 with other music ensembles and would allow students to take the ensemble each semester in residence. This course has not undergone any other revision.

Catalog Language Change:

MUS 5120A, B, D, E - Music Theater/Opera Workshop.

(0-4-1 or 2) The study and performance of Music Theatre and Opera. **May be repeated once for credit.**

Permission of the instructor.
