Re: Request for Executive Action from the Department of History

Requested Change:

To allow HIS 5000, "Historiography," to be offered online as well as face-to-face.

Rationale:

The History MA Program is proposing a new online option for teachers, and HIS 5000 will be one of the required courses. This option, and with it this course, will allow them to meet the demand among history teachers for accessible, rigorous graduate-level training in academic history.

Catalog Language Changes:

None.

Approved by College of Arts and Humanities Curriculum Committee:

October 5, 2016.

Effective Year/Term:

Fall 2017
