Re: Request for Executive Action from the Department of Communication Studies

Requested Change:

To delete the following courses from the Graduate Catalog:

- CMN 4850 (A and B), "Topics in Computer Mediated Communication I" and "Topics in Computer Mediated Communication II"

Rationale for Change:

The Television & Video Production major and Radio & Audio Production minor represent the mass communication program's move back to the department's strength in broadcast (note: the program was previously called Radio/Television/Film). Thus, the Department will no longer have a need to offer these courses.

Catalog Language Changes:

None.

Approved by College of Arts and Humanities Curriculum Committee:

February 21, 2018.

Effective Year/Term:

Fall 2018
