

EXECUTIVE ACTION

January 24, 2011

I submit the request below for approval from CAA. Both departments involved, Health Studies and Communication Studies, as well as Dean Jackman (CEPS) and I (CAH) approve this executive action request.

Patricia S. Poulter
Interim Associate Dean
College of Arts and Humanities

The Communication Studies Department requests the removal of the prerequisite for CMN 4910:

Current Catalog Copy

3-0-3) S. An examination of applied health communication in the interpersonal, organizational, and mediated contexts. Emphasis is on higher order application of skills from different occupational perspectives. Cross-listed with HST 4910.

Prerequisites & Notes:

~~Completion of CMN 2010, 2020, 2030, 2040 with a grade of "C" or better, and CMN/HST 3910 or permission of instructor.~~ No prerequisite.

Credits: 3

Rationale for Change: Content of HST 3910 is not required for successful completion of HST 4910 and removal of CMN 2010, 2020, 2030, 2040 will assist program completion in a timely manner. The reason the department core is required is to ensure students take the department core as early as possible in their program.
