

MEMORANDUM

TO: Council on Graduate Studies

FROM: Diane H. Jackman, Dean
College of Education and Professional Studies

DATE: May 18, 2011

RE: Executive Action Items

The following requests were received from the Department of Kinesiology and Sports Studies. I concur with the revisions and ask that the changes be made by executive action. The effective date should be Fall 2011.

Requested Change: Revise the course title of KSS 5214 to Governance in Sport.

Rationale for the change: In the course proposal as presented to the CEPS Curriculum Committee, the course was titled, "Sport Governance". The course was approved as such. When the revisions to the KSS program were accepted, the title stated, "Governance in Sport". The KSS Department would like the course to be titled, "Governance in Sport".

Requested Change: Add KSS 5214 – Governance in Sport as an elective in the graduate Sports Administration Field of Study program.

Rationale for the change: The course was passed by both the CEPS Curriculum Committee as well as the Council on Graduate Studies; however, it was inadvertently omitted as an elective in the Sports Administration Field of Study program when the revisions to the program were approved.
