

MEMORANDUM

TO: Council on Graduate Studies

FROM: Diane H. Jackman, Dean
College of Education and Professional Studies

DATE: April 16, 2015

RE: Executive Action Items

The following request was received from the Department of Kinesiology and Sports Studies. I concur with the revision and ask that the change be made by executive action. The effective date should be Fall 2015.

Requested Change: Change the effective date for offering the KSS 5860 course from Spring 2016 to Fall 2015.

Rationale for the change: After advising graduate students for courses next fall and working on tentative spring class schedules, offering the KSS 5860 course in the fall will allow more students the opportunity to take this course which will be beneficial for them.
