TO: Jeanne Lord, Interim Dean – College of Health and Human Services

FROM: Jon Oliver, Interim Chair – Department of Kinesiology, Sport, and Recreation

SUBJECT: KSS 5270 – Neuromuscular Exercise Physiology - add hybrid delivery option via executive action

DATE: April 2, 2019

Effective: Fall 2019

Request: to add hybrid to 'Modes of Delivery' for KSS 5270.

Rationale: the content nature of KSS 5270, Neuromuscular Exercise Physiology, allows for face-to-face delivery of the more difficult material but then provides for more flexibility in the online delivery of the applied content and assignments.
