RE: Executive Action for Online Course
Delivery

DATE: April 13, 2020

Request #1 – Graduate Courses Online

Please approve the following courses for online delivery:

CDS 5000 Research Methods in Communication Disorders and Sciences

CDS 5210 Literacy for the Speech-Language Pathologist

CDS 5800 Grand Rounds in Communication Disorders and Sciences

CDS 59001 Advanced Clinical Practice I

CDS 59002 Advanced Clinical Practice II

CDS 59003 Advanced Clinical Practice III

Rationale #1

CDS graduate courses that were offered in the fall and spring were approved for online delivery when we had distance cohorts who took classes remotely in the fall and spring, but were on-campus for courses and clinic in the summer. Since EIU will be offering only online courses in the summer of 2020, we need to seek approval for the courses that will be offered in the summer term that were not previously approved. We will also be offering clinical practicum with our graduate student clinicians using teletherapy.
