Re: Request for Executive Action from the Department of Art + Design

Action Requested:

To allow the following courses to be repeated once for credit:

ART 5520, "Creative Technology in Art Education"
ART 5563, "Printmaking Techniques"
ART 5574, "Impressions in Clay"
ART 5602, "Methods in Digital Media"
ART 5613, "Investigating the Figure"
ART 5625, "Methods in Water Media"
ART 5675, "Creative Casting"
ART 5804, "Fiber Structures"

Rationale:

The Department believes that this is important that the online MA in Art Education students have the opportunity to take these courses twice. Allowing the courses to repeat is based on the fact that this program sometimes takes longer to finish and a student skips a summer occasionally. These courses are only offered in the summer on rotation. Odds are that students occasionally will only have the ability to retake a course. This is in the original wording for each course, but phased out of the catalog a few years ago. The Department is returning them to their original intent.

Catalog Language Changes:

None.

Effective Year/Term:

Immediately, if possible (for SU20 delivery).
